VOLUME 35 N04

APRIL 2013

PRESIDENT'S CORNER

Fellow Tin Lizzies,

Well, it would appear that everyone who attended the National Business Meeting in Dallas made it home safe n sound. The "Tin Lizzies" were well represented with 19 of us.....way to go.

Speaking of safe n sound, Russell & Julie had a little mishap while in Dallas getting his shoulder repaired. We all hope & pray that they are both on the mend.

As you may have all heard by now, Larry Azevedo received the Walter Rosenthal award this year, congratulations.

The "Tin Lizzies" is a unique group. We are there for each other to lend a hand. Having the "work parties" has been a great way for us to share our various levels of expertise. Our "club" would not be the success it is without all of you.

The warm weather is finally upon us, so please be safe when venturing out and remember that if anyone has any ideas for a small/quick/impromptu gathering, put something together or give me a call with your idea.

Bernice has agreed to be our new "Hospitality" person, so if you know of anyone under the weather, etc., please contact her.

Robbi has informed me that effective April 1, she is stepping down as our "newsletter editor". Unfortunately, this means I need to find another person to step up to the plate. If you are interested, please give me a call. Thanks for a job well done Robbi.

Thanks, Dean

Meeting Minutes

MARCH 28, 2013

The meeting was called to order by President Dean Van Doren at 7:05. The pledge of allegiance was said by all.

There were no new members present. Dean welcomed back from winter vacation Vern and Pat Willan, Cole, grandson of the Azevedo's, and Steve Suttle.

Refreshments were hosted by the Wing's and Gauna's tonight.

President's report - Dean reported on the Dallas MTFCA Business Meeting. He stated we were well represented by our 19 members (most club participation) Marilyn and Paul Duncan made a video of Larry Azevedo's receiving the Rosenthal award. We viewed it. The board meeting revealed great details i.e. the City of Richmond has some grant money available which could go to the Museum (the museum needs to expand already). Dean gave the floor to Bernice Young who reported on the 2014 meeting. It will be a 5 day Royal Caribbean cruise from Fort Lauderdale to a private beach on Haiti and Jamaica. She said we will be the hosts, but we don't have to do anything. The date is Feb 24, 2014. Dean then announced birthdays and anniversaries.

VP report – Kirk was out of town so no report.

Secretary report – Robbi announced the correction from the last meeting minutes and then they were passed.

Treasurer report - Sharon announced the drawing prizes for the evening. The tickets are 50 cents a piece. She has a new roster and asked people to please check their information for correctness. Sharon announced lifetime memberships are available for \$180.

Dean announced that Julie Dilts is in process of doing the audit, but Julie and Russell were in an accident in Texas and only got home on Monday.

Telephone – please let Linda know if you want to be called or not called for activities.

Newsletter – Robbi said deadline was midnight 3/31/2013.

Car Council – John announced the annual picnic would be 8/11 and the ABQ museum would be 5/19. Discussion was held about these NMCC Car Shows. John announced that he needs a replacement for the Car Council as he no longer wants to do it.

Hospitality – Bernice sent cards to Barbara Souther, thinking of you; to Paul Luchetti, thanks for the donation; Robert Sieglitz, sympathy re death of his brother; Russell, get well after his shoulder surgery; and Julie Dilts get well and thinking of you.

Librarian – Mark Dominguez announced books and videos were ready to be checked out.

Program - Marilyn just sent the video of the Christmas parade to Mark Wing to put on the web.

Historian – Nancy Rodriguez has found some more information in boxes and has given them to Marilyn.

Quartermaster- Larry said he still has everything

Webmaster – Mark Wing has updated the web site with the activities from March including the work parties, breakfast and Rich Ford.

Tour Coordinator – Dean will be handling this from now on.

T n’Vittles/ Refreshments – Linda said she still needs refreshments hosts.

State Fair – Vaughn said the State Fair is still in September

Old Business

Stan reported the March breakfast was held at Hot Tamales in Rio Rancho on 3/9. He said lots of people showed up, everyone left full and had a good time. 2 or 3 cars showed up but it was a very cold day. He thanked everyone for coming. The next breakfast will be 4/13 at Vic’s.

Dean announced that we received \$500 from Rich Ford. Linda then announced that we had 12 cars and 6 people with modern cars show up at Rich Ford. It was a sunny but breezy day, with really good food provided by La Salita. Rich Ford would like us to come to Edgewood the 1st weekend in August.

Dean reported that the Portales tour will be May 16-19 and that Skip Dunn is hosting a Los Alamos tour August 9-11 that will coincide with their rodeo and parade.

New Business

Vaughn talked about the water guns at the 4th of July parade. Larry is going to a meeting in 2 weeks. He said there will be no water spraying if we participate. Larry suggested our own little parade if they won’t stop the water. He will suggest cars be in the front of the parade.

John Hayne talked to Dean about a tour to Mountainair. We could go down 14 and come back other way. John will research more.

Linda said she will place an order again for name badges, t-shirts and caps. Please let her know if you want something.

Betty talked about the Balloon museum car show on 4/20. She said they asked about the T’s. There is a \$25 entry fee.

Bernice announced that the Richmond water tower will have a Model T on it. It will be covered with a protective coating to keep it nice.

Larry said there would be a work day on Saturday and thanks to all who wrote letters for him.

We took a break. Since Stan’s 65th birthday was the next day, Janice had arranged for a Sweet Adeline quartet to sing to him.

The meeting was called back to order.

Larry thanked those who had worked on Bruce’s car. It is now running but the Warford rear end will need to be pulled again on Saturday.

The raffle was held. Winners were Bob Ross, Larry Azevedo and Stan Gauna.

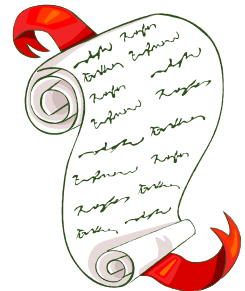

Sale or Wanted – 09-15 front floor mat is available free if someone can use it.

The meeting was adjourned at 8:30.

Respectfully submitted,

Robbi Ross

The Bobbie Pin

Keeps Bobbed Hair Tidy

*The Fastest Seller ever known
in the Beauty Shop*

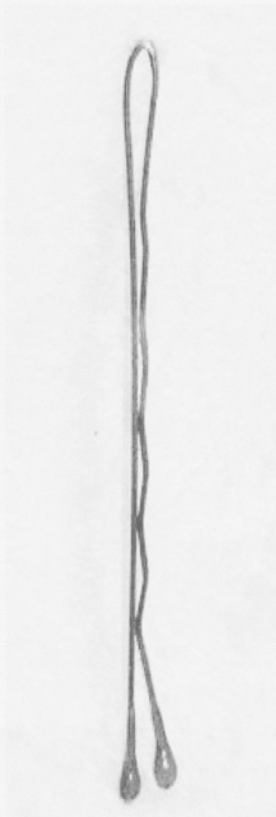

Imagine a young woman today cutting her hair two inches long, dying it purple and green, and wearing it spiked straight up. Imagine the looks she would get in most parts of the country. Women in the Twenties who bobbed their hair could expect similar reactions, but the hostility and moral implications made it far more shocking. Long hair had been a woman's "crowning glory" for centuries, and the idea was tied into virtue and respectability. Before the Twenties, many women lived their entire lives without cutting their hair. Everyone wore their hair loose and long (or in braids) as girls, then pinned up in various styles as women.

But short? Never.

So when the first few young women started cutting off their long tresses in during the Great War (1914-1918), it shocked people silly. The "bob," a blunt cut level with the ear lobes, with or

without bangs, became a statement of youth throwing off the moral restrictions of society. It was closely tied to the wearing of short skirts, going around with men unchaperoned, smoking cigarettes, drinking cocktails, dancing lewd dances like the Charleston, and general immorality. Preachers preached against it. Women who worked with the public, such as teachers, department store workers, and office girls, were fired for coming to work bobbed hair. Romances broke up.

When French designer Coco Chanel bobbed her hair in 1916 and several Hollywood stars, like Clara Bow, followed suit in the 1920s, the daring image spread. The furor over bobbed heads didn't fade until about 1927. The style is still popular today.

What I found most interesting in all this was the introduction of the lowly *bobbie pin*. Yes, it should have been obvious, with a name like that, but it wasn't . . . at least, not to me.

Llano Estacado Spring Tour 2013

May 16-19, 2013

The Tin Lizzie Spring tour will be held in Portales, NM May 16-19. All members are invited to attend. The host hotel will be the Holiday Inn Express 575-356-4723. The cost is \$92.99 per night. It is a fairly new hotel, nice accommodations. Prices include: free hot breakfast, free WiFi and an indoor pool and spa. Please ask for the Antique Car Club price.

Morning temperatures are generally cool with daytime high in the upper 80's to mid90's with much sunshine and minimal chance of rain during this time of the year. There is always a chance of wind, sometimes high winds, but this can occur any day of the year. Make sure to bring along sunscreen and plenty of water.

Since we will be having lunch at the Senior Center in Grady on Friday, a form with birth date on it will need to be filled out that morning. Lunch for those over 60 will be \$2.00, under 60 the price is \$9.00. It has been decided that we will pay for our food each day so a collection will not be necessary.

Lunch for Saturday will be after the Norman Petty Studio tour at Furr's Cafeteria, before we go to Main Street and the antique stores.

The banquet dinner will be at The Vine's Italian Restaurant on Saturday. The cost will be approximately \$18 plus tax and gratuity.

All other meals will be on your own. Breakfasts are included at the hotel and since we start early it is suggested that you eat there. Other meals can be taken at the various restaurants in Portales.

Please remember, a videographer and crew will be with us during this tour. You might end up on camera!
