## PRESIDENT'S MESSAGE

Hello Tin Lizzies!

It has been a month to remember!!, so I want to pay particular attention to two events and honor those who helped pull them off.

First, I want to sincerely thank Larry Azevedo and all of those who assisted in completing the restoration of the 1919 Model T roadster entrusted to their care by one of our newer members, Betty and Vernon Houston of Socorro. After herculean efforts on the part of Larry and the many club members who aided in the project, this little black beauty will, hopefully, be cruising the streets of Socorro in the very near future. A Job Well Done! Thank you all.

Second, want to congratulate Lorna Azevedo and EVERYONE who participate in this month's meeting's outstanding fashion show. I am sure Lorna and her models must have put in endless hours of preparation to put on such a fine presentation, and I know for a fact that everyone watching enjoyed the show immensely. It's only too bad that, like the 4th of July parade, those who participated didn't get a chance to see the whole thing like the audience did! I did speak to Mr. Oldfield later in the evening so see if the MTFCA national board would be willing to pay to fly the whole fashion show crew out to California next year, all expenses paid, to repeat the show at the national wine-country tour. I'm sure he'll bring it up at the next MTFCA board meeting; I'm holding my breath! Meanwhile, another Job Well Done! And thank you all.

Additional thanks to everyone who turned out for the showing at Power Ford last Sunday, and don't forget the one day tour to the Jemez on June 10th.

Vaughn, GHMM

Don't even think about asking for a bite....it's mine....I am the keeper of the pie

Coming together is a beginning; Keeping together is progress; Working together is success. Henry Ford

Since 2004 this last VF cover shot of Joe's, makes 8 VF cover shots that include ABQ Tin Lizzies cars in them. Quite an accomplishment for the club. It also makes number 18 for Joe's shots. Also quite an accomplishment.

Sorry about the errors on page 31 of the VF. The interim editor took it upon himself to edit both the cover shot and the article. Even doing that he still put my name as having written it, which was also his error. The original shot had on the left side of the B-29, Mark and Susan Wing and Brian Dean's T's but the editor saw fit to cut them out, thus the error in the article. It also should have said that Anne Merewether arranged the tour at the museum. But...other than that, Mrs. Lincoln, how was the play.

Tell all hello for me, I miss all of you, but also am enjoying AZ.

Keep in touch Bernice
