Orlando & Melody Ortega lead the way to a local park to watch the Eastern NM sunset on Thursday, May 16. They sponsored our tour of Portales, Clovis, Grady, & surrounding areas. We soaked up lots of sun, sand, & history as we made our way through the area. Thank you (& Ethan) for a most enjoyable tour!!

President's Corner

Fellow Tin Lizzies,

Even though we had two "rubber chicken" awardees, and a few "honorable mentions", everyone made it home safe and sound from the Llano Estacado Spring Tour 2013 in Portales. The weather was ideal, well, except for the wind, but we all had a great time. Many thanks to Orlando & Melody and Ethan for putting this great tour together and having our days planned out.

We just had our "monthly" meeting, and I must say it is great to see such a great turn out anymore. Attendance is up amongst our members, and we even are having a few new faces show up.

The weather is getting hotter, which can only mean that we will/should have our "T's" running and roaming the streets. As always, be safe when venturing out and remember that if anyone has any ideas for a small/quick/impromptu gathering, put something together or give me a call with your idea.

Thanks,

Dean

President, Dean Van Doren, called the meeting to order at 7:06 PM. The Pledge of Allegiance was recited by the membership. Dean welcomed new members Laura Kamm & Dave Ferro. Dean announced that the refreshments were provided by Pat & Vern Willan.

Dean announced that Betty Housholder is the latest recipient of the coveted "Rubber Chicken Award" due to her breakdown on the Portales Tour. "Little Peep Honorable Mentions" were Mark Dominguez & Kirk Peterson, (& you know who else you are). Betty then passed off the chicken to Marilyn & Paul Duncan who also broke down on Tour. Paul read a "Rubber Chicken" acceptance speech, & he & Marilyn told "Rubber Chicken Jokes".

Vice President, Kirk Peterson showed what was to be raffled this evening.

Secretary's Report: Robbi Ross was absent so Lorna Azevedo gave the Secretary's Report. There was one correction in the April minutes brought up by Bernice Young. Don Mitchell advised us that Jim McKinstry was ill, not Don Souther. The minutes were accepted as corrected.

Treasurer's Report: Sharon Dominguez gave the Treasurer's Report.

Committee Reports:

Auditor for the 2012 Books: Julie Dilts advised the 2012 audit of the books is complete.

E-Mail: Kirk Peterson said he added 3 emails last week. He sent out lots of emails last month.

Telephone: Linda Riel advised that if there are any changes to the call list, let her know.

Newsletter: Lorna asked that when you sponsor an event, to please write up a blurb with or without pictures so it can be published in the newsletter. She will bring some of the newsletters to distribute at the breakfasts to save stamps. Linda said some people complain when she's done it in the past. Lorna will check with the recipients first.

Car Council: John Hayne gave a report about the Museum Car Show. It went well but there were a few problems this year. There were lots of great cars there.

Hospitality: Bernice Young said seven cards were sent out for last month. She sent Get Well cards to Jim McKinstry, Clarence Schritter, Cole Wedekind, Bob Sieglitz, & Cathy Miles. A Thank You card was sent to Orlando & Melody Ortega for hosting the Portales Tour, & a Sympathy card was sent to them upon the death of his Mother.

Librarian: Mark Dominguez let us know that books are ready to check out.

Program Coordinator: Marilyn Duncan asked anyone willing to give a program, to let her know. The program for this evening was the "Rubber Chicken Award" acceptance speech, & "Rubber Chicken Jokes".

Historian: No report

Quartermaster: Larry Azevedo said he's updated the list of everything he has. He said he's received all the parts that he ordered, & they are available for Club to use & replace. He says he has one of a whole bunch of everything.

Webmaster: Mark Wing has updated work parties, T'n Vittles, & gave a DVD to the Editor of the Tour to Portales. He also had a DVD of the Tour running at the meeting.

Tour Coordinator: Dean Van Doren said everyone had a great time at the Portales Tour, & the Ortega's did an outstanding job orchestrating the Tour. Larry said we had 17 T's from Albuquerque & 4 T's from Amarillo.

T'n Vittles & Refreshments: Linda Riel said the next T'n Vittles will be at the Vineyard on June 1, sponsored by Betty Housholder at 8AM. We are all set with the rest of the meeting refreshments. Bernice Young volunteered to bring for June. Linda also said that Jahn Wright brought in an old photo album to give to the Marilyn Duncan, the Historian. She has some goodie bags from the Portales Tour to give away. She also has some photos of a previous July 4th party to give to those who would like them.

State Fair: Vaughn announced the State Fair is still in Sept. Dean asked if we will be having the Take Apart Car this year. Larry said yes, & he's making a tripod to help lift the engine. We will have some practice runs before the Fair.

Follow-up on Previous Events:

May Breakfast: It was held on 5-11 at the O'Brien residence, & hosted by Mary Ann & Neil O'Brien. There were about 7 or 8 T's, approximately 25 members, & scrumptious food!

Unfinished Business:

4th of July Parade & Picnic: Larry gave an update, & advised he was assured by the Police there would be no water squirted this year! He'll let us know when he has a time for the start of the parade. Bring side dishes & desserts. The dogs, burgers, & lemonade will be provided. He also said Sat, May 25, is the next Work Day.

Los Alamos Tour, Aug 8-11: Skip Dunn wasn't present to give more details, but Tour is a "go". We will have more updates soon.

Mountainair Tour: John Hayne gave us some information on the proposed Tour, & will have more next month.

New Business:

Paul Duncan made a motion to send \$150 to the Norman Petty Museum & the Black Water Draw Museum in Portales. Larry seconded it. Dean said he would like the donation to be less. Julie Dilts amended the motion to be \$100 to each Museum. Vern Willan seconded the motion. Members voted & passed the amended motion.

Member Appreciation Evening: Linda Riel proposed to have the party at American Legion Post 49 like last year. She explained why the food was late last year. She said we could do it possibly Sept 28. Bernice Young made a motion to have it there, Vaughn Rockafellow seconded the motion, & was passed by the members.

Roadrunner Food Bank: Linda suggested we donate to the Food Bank again this summer, & asked members to donate at the July meeting. She will deliver to the Food Bank. The Editor is to put a blurb in the Newsletter.

May Birthdays: Per Dean, Barbara Souther had a birthday in May, & the Dilts's had an anniversary.

Cruise in Feb 2014: Bernice Young said she has brochures about the cruise, & we will get a Senior Discount. Make reservations by the end of June.

Larry Azevedo brought up that Orlando Ortega may have out-of-pocket expenses for the Tour. He will try to find out how much, & we can all chip in to pay him back.

We took our break & enjoyed the delicious food brought by the Willan's.

Bob Ross thanked everyone who helped get his Roadster on the road. Everything got rebuilt & he is grateful to everyone who worked on it.

Vern Harvey made a suggestion to put route numbers on itineraries. Dean said we will work on that. John Hayne suggested using AAA Flip charts to show the routes.

BREAKTIME!

For Sale/Wanted: No one had anything.

Dean advised we received a gift for the folks at Skunkworks in Portales while on Tour. Larry will take to his house for the work parties. There's a floor jack, 2 jack stands, a creeper, chalks, lug wrench & more.

Raffle: Winners were Bruce Daniel, Larry Azevedo, & Dave Ferro..

We adjourned at 8:31 PM.

.Respectfully submitted, Lorna Azevedo for Robbi Ross, Secretary

Llano Estacado Tour Rehash!! By Fran Gurule

May 16 thru the 19th saw 17 Model T's from Albuquerque, & 4 from Amarillo, Tx, head for Portales, NM for 4 days of pure T'n! About 42 people enjoyed the fun, food, & flivers on the open Plains of the area. We learned history of the area on Thurs eve as we imbibed on drinks & unlimited food. On Fri we stopped at an auto shop called Skunk Works, met lots of nice folks, & were served coffee & donuts. We enjoyed a lunch in Grady, NM at the Senior Center there, & headed for the Wind Farm, where we got up close & personal with the giant wind turbines. On Sat, we had a wonderful tour of the Eastern NM University Admin Bldg. We enjoyed hearing about it's history, seeing the amazing murals, & listening to stories told by Patrice, our docent. After the tour, we headed for Blackwater Draw, where we got a Univ course in about an hour from an very knowledgeable professor. We walked around the site & saw an archeological dig. A real highlight of the day was our visit to the Norman Petty recording studio. Sure brought back a lot of memories of music artists we grew up with! We ate lunch at Shogun Restaurant in Clovis, & hit a few antique stores before heading back to Portales. Our banquet was held at the Vines Italian Restaurant Sat Evening. We had a wonderful meal & lots of rowdy camaraderie. We really enjoyed getting to know our Texas contingent, & we are ready to make them members of our Club! The way I hear it, there were several who burned the midnight oil that night! Melody, Orlando, & Ethan Ortega are to be commended on putting together this fantastic tour. I'm ready to go back there anytime!! A video crew filmed the entire tour, & we all look forward to viewing the finished product!

NOSEY NOTES FROM NELLIE

Who ran a red light in his "T" going to the O'Brien's home for T'n Vittles on May 11? It seems he can't tell the difference between red & green these days! Where is Barney Fife when you need him?

Irene Navarre is heading for Boston in June to attend the 100th anniversary celebration of The American Dental Hygienists Association. She served as President & Speaker of the House in 1964, 1965. Two local hygienists are accompanying her to make sure she doesn't get into trouble while she's there! Have fun, Irene!!

Oh, yes, we have a new college graduate in our Club!! Ethan Ortega graduated from Eastern New Mexico University this May! Way to go, Ethan. He was a big help during our Tour! Congratulations!

Who was seen "winging" his way to Portales pulling a brand new trailer? A hint....that trailer is so clean you could eat off the floor!! The headwind coming home made the return trip a little scary. He almost ran out of gas!!

Clarence Schritter is now recuperating at home. He thanks everyone for their calls, cards & good wishes. He'll be out of commission for awhile, so let's keep him in our prayers!

GARAGE GOSSIP 5-25-13 By Larry Azevedo

Lots of work went on at last week's workday! Here's a sample of what members are working on. Dan Van Doren & Bruce Daniel tuned up Bruce's coils, Russell Dilts, with Vaughn Rockafellow, helped re-spoke a wheel.

Larry & Tom Miles babbited Tom's main bearings. Roger Burton & Gerald Hash reamed out valve stems, & resurfaced valve seats for Tom's engine. Kirk Peterson & Vern Armstrong installed a new windshield in Kirk's new coupe. Mark Wing & Bob Ross disassembled Mark's transmission. Bob put new lining on some bands.

Michael & Betty Housholder repaired her bendix & cleaned her carb. John Hayne & Don Mitchell helped out where ever they were needed. Paul & Marilyn Duncan arrived later to check out their radiator repair job. As usual there's always something that needs fixing on the Workdays! Join us when you can!
