## *President's Corner*

Fellow Tin Lizzies,

I just want to comment on the great turn out we just had at our "monthly" meeting. It's good to see so many of you. Our "membership" is growing and as a result attendance is up. Thank you all for showing up and making our "club" the success that is it. Without your support, the Tin Lizzies would not be where they are.

Speaking of support, we have a few things coming up in August. Skip Dunn has put together the Los Alamos Tour (8<sup>th</sup> – 11<sup>th</sup>) and Rich Ford (a very generous Tin Lizzie supporter) on the 24<sup>th</sup>.

By the time you received the newsletter, we would have participated in the Corrales 4<sup>th</sup> of July Parade and the potluck picnic at Larry & Lorna Azevedo's. Thank you both for offering your house yet again to us.

In closing, please remember that with the HOT weather we have been having, be careful out there when roaming the streets. Take care of yourself as well as your "T".  
Thanks, Dean

Also, they worked on new valve seats for Mark Wing's engine, Skip Dunn worked on his 1914's top, & Paul Duncan's generator got repaired. Among the guys working were Gerald Hash, Dean Van Doren, John Hayne, Larry Azevedo, Vaughn Rockafellow, Mark Wing, Vernon Armstrong, Don Souther, Dave Ferro, Bob Hawk, Roger Burton, Bob Ross, Skip Dunn, Paul Duncan, & Neil O'Brien.....It was a great day.....but, alas, where, oh where, were the donuts???**

## Our Trip to Detroit

By Steve Suttle

While the rest of you were plowing through the sand hills of eastern New Mexico, Denise and I were on vacation in Michigan, the garden spot of the upper Midwest. While we were in The Henry Ford at Greenfield Village, we saw some cars that were perfect for our fellow Tin Lizzie-ites. There is something for everyone in Dearborn! Here are some snapshots :

For Vaughn, a Holsman highwheeler:

For Lorna, a Detroit Electric (no cranking, no gears):

For Russell, a huge Rambler limousine (no knee banging in this one):

For Larry, a Speedster of sorts

For Dean, a 7 mph Wood electric truck

For Mark Wing, a reassembly guide

**For Denise, a Studebaker:**

For Misty (just needs paint and tires and upholstery and a top, and re-spoked wheels):

**For Linda something small and simple:**

**For Mark and Sharon (in case you need another):**

**For the O'Brien Fire Department**

For Tom Miles, a Presidential Limo-not to be driven in parades

For the Householders, another coupe (ready to go!):

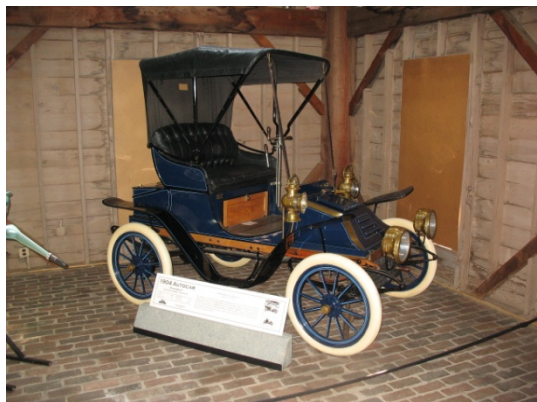

For Don Mitchell (a Paseo del Norte cruiser):

And for me, a 1904 Locomobile (as in “loco”):

Besides getting lost near downtown (twice) while trying to find the Edsel B. Ford freeway, the worst part of the trip was that Budget didn't have any rental Fords:

...Plus an Essex that actually runs:

And a postscript. See if you recognize this famous engine number:

**HAPPY MOTORING!!!!**

## NOSEY NOTES FROM NELLIE

It seems our "first lady" was surprised when Braums' Ice Cream showed up at her door recently. I wonder who knew that was her favorite brand, & who had been traveling through Amarillo recently to make the special delivery.....?

It seems the 3rd generation of Model T enthusiasts is on the rise again! One of Tin Lizzie's past president's grandchildren were seen being tutored by Larry & Cole while learning to drive a T. I am sure there were smiles being sent from Heaven, & I could almost smell the cigar smoke! The 4th of July parade is the goal for 16 yr old Lee Sturdevant with her co-pilot, her Brother, Trey, grandchildren of Bernice & the late Roy Young. Learning to drive a strange car seems to come naturally to the youth...wish I would have figured that out many years ago!

Starbucks is non smoking, cigarettes are non-smoking, eating facilities are non smoking, & now one of our "speedy" Model T's is non smoking due to a correction by one of our maintenance specialists. In parades now, those following this "speedy" T will not have to wear gas masks.

### July 4th Parade & Bar-B-Q

The parade is at 10:00 AM, so we will meet at Corrales Elementary School at 9:30 AM. You may meet at the school, or at the Azevedo's between 8 & 9 AM to put decorations on your car, or just to drive over to the school together.

After the parade, we will meet back at the Azevedo's for a Bar-B-Q. Dogs, burgers, & lemonade will be provided. Bring a side dish, appetizer, or dessert, & any other beverage you would prefer. Don't forget to bring water, sunscreen, chairs...whatever will make you comfortable during & after the parade.

See you on the 4th!!!

### MTFCA 2014 Business Meeting by Bernice Young

Let's all attend the Business Meeting Feb 24-29, 2014, on a Royal Caribbean Cruise line out of Ft Lauderdale, Fla. It is a 5 day cruise, & is sponsored by the Tin Lizzes of Alb. Some Lizzies have already reserved cabins on deck 9, but you can choose cabins on other decks if you'd prefer. The current rates can be reserved until July 5.
