We had a great turn out for the Balloon Fiesta this year. As usual, we had a "ring side seat" as the skies filled with beautiful balloons! We ate our way through the morning as we visited, took photos, & just enjoyed the camaraderie! See Pg 9...

Skip & Hedy Dunn's T Gets a New Top

Yes, it's true...After at least 2 weeks & lots of hard work, their 1914 Touring now has a brand new top! Thanks to the assistance of several Lizzies at the Work Parties held during that time frame, Skip proudly drove back to Los Alamos showing off the completed project.

Marilyn & Paul Duncan consistently helped Skip, learning all they could, so now they too can put a top n their Touring! Here's how it all went down.....

^Skip reads the many pages of instructions.... checks out the job ahead.....& decides to pray for all the help he can get from fellow Lizzies.!

^^Marilyn proves to be a tireless helper in the quest for the new top!!

Marilyn & Skip revel in the fruits of their labor....a job well done!! >>>>

Premier of the "Wheels of Yesteryear" Documentary

On Sunday, Sept 29, about 54 people gathered in the Azevedo's barn to view the eagerly awaited Premier showing our Lizzies on the May Tour in & around Portales. It was well worth the wait! The film was beautifully done, the scenery was fabulous, & the music perfect! We had some laughs, & there were some thoughtful insights delivered. All in all, it was a grand production that hopefully all the PBS Channels from all over the USA will decide to air.

Our thanks to Orlando, Melody, & Ethan Ortega, Duane Ryan, & all of the production crew for putting this wonderful film together. You all did a brilliant job! Enjoy the following pictures from this event!

Balloon Fiesta, 2013 by Betty Housholder

I want to send a big THANK YOU to everyone that came out early in the cold to show their cars at the Balloon Museum. We had 10 cars & a gorgeous day (after it warmed up). The launch was beautiful & I think we all enjoyed watching the balloons fly over us. We all talked to lots of people walking by, asking questions & taking pictures!! Here's a few pictures of the event.....

Fall Foliage Tour, Oct 13

8 T's, 1 A, 1 modern car, 24 Lizzies, & 1 dog toured the S 14 area out of Tijeras. The Fall weather was perfect, & we did see some beautiful colors! Our thanks to Mark & Sharon Domínguez & Russell & Julie Dilts for finding the perfect roads for our T's. The scenery was stunning, & what a neat place to have lunch! The Pumpkín Pie milk shakes & Banana Splits were "to die for"! No one had a major problem, but good thing Kirk had a tow strap for Tom Miles to use to get Russell up one steep hill! We had a most enjoyable day!

Aged to Perfection! By Bernice Young

A 90th birthday party invitation arrived saying, "Aged to Perfection", showing a bottle of wine, the Model T Touring car & our very own Paul O'Brien." Bernice got the idea to have a Model T at the party scene to surprise Paul, who is a car enthusiast. Mark Dominguez graciously arrived in his Touring, & took Paul for a ride. The T created interest of other guests, & Mark enjoyed relating the history of Model T's to all of them. Everyone seemed to be amazed that Model T's are still being driven, & as the invitation said, "Aged to Perfection"!

Kid's Workday Announcement!!! By Larry Azevedo

As you are aware, we have an increasing amount of kids in the Club that are becoming more interested in learning about the Model T Ford. I have given some thought on how to get our children and grandchildren involved in hands on activities. Therefore we are going to try a **KID'S WORKDAY** on Sat, Dec 28, 2013. We have a volunteer car that needs some attention (Tom Mile's 27 Touring). I'll set up a list of activities that are age appropriate & parents &/or grandparents will be responsible for oversight & help. We do things such as changing the oil, checking the lights, inspecting cotter pins, flushing the coolant, greasing the suspension, etc. At the end of the day we will see the result of our labors with (hopefully) a car ride! Mark your calendars!
