Sympathy cards were also sent to Janice & Stan Gauna, due to the passing of long time member, Richiard (Dick) Hutchins, Janice's Father, & to Blue & Irene Sena. Irene's Father also passed away.

President's Corner

As we start this New Year let's not forget our dear friends that we have lost recently, and most importantly, their grieving loved ones. Our first meeting will be coming up soon and we have a lot of activities to plan for the year. I was really impressed by the great attendance we had at the Tin Lizzies Youth Day- read more about it later in the newsletter.

This is the time of the year we prepare for a Saturday breakfast and make the early morning decision: Should I drive the T or my modern car? Those with coupes or sedans have a little easier answer than those with tourings or roadsters. I am looking forward to several tours in the club this year, fun meetings with a variety of programs, some parades, State Fair and lots of good companionship with our Lizzie friends.

Dean led a great effort to bring in new members over the last few years and I want to continue that effort. Take a look at your roster and give a new member a call and remind them about an upcoming activity. Bundle up, check your antifreeze and we will see you at the next breakfast!

ATTENTION ALL MEMBERS!!

Be sure to attend the Jan 23rd meeting. We will be electing the new Vice President at that time in accordance to our Op Manual.

Roadrunner Food Bank Holiday Donation

At our Christmas Party, Dec 7, we collected for the Roadrunner Food Bank again. Linda Riel delivered the proceeds to the Food Bank.

Tin Lizzies First Youth Day, 12/28/13

By Larry Azevedo

On Saturday, Dec. 28, we had 9 youth from our club come to the work day with their parents and/or grandparents. Ages ranged from 12 to 25. Tom Miles donated the use of his 27 touring for the youth to work on. The projects were categorized by age & ranged from checking tire pressure/changing oil to performing a valve job & repacking the front wheel bearings. Each youth was given a choice of projects & then given a list of instructions, safety tips & all the tools that would be required. Each youth had one or more adults as helpers & trainers. Before the work day, Larry's grandson Cole performed the valve job with Cole's dad's (Luke) and Larry's assistance. During the day the youth checked tires, greased & oiled everything, changed the oil, repacked wheel bearings, changed out the upper radiator hose, checked the electrical system, cleaned plugs, checked cotter pins & installed the head. For lunch Tom provided pizza & salad, & we had tool naming trivia competition! We got the car running by the end of the day! After working on the car, the youth all learned to drive a T with Cole & Lee (Bernice's granddaughter) giving driving lessons to the other youth & some adults. All had a fun & informative day, & we plan to have many more to come!

In Memoriam

This issue of the Enchantment Flyer is dedicated to the memory of two of our members, Dean Van Doren, & Richard (Dick) Hutchins.

Dean passed away suddenly Nov 25, 2013. He had served as President of the Lizzies for 3 years, & had been elected to serve again in 2014. Our Club flourished under his Presidency. His long time partner, Linda Riel, & his Grandson, Dante, continue to be a part of the Tin Lizzie family.

Dick was one of our Club's earliest members. He passed away 12-13-2013, after a long illness. Dick served as President of the Club, & was a member of The Tin Lizzies for about 35 years. His daughter & Son In Law, Janice & Stan Gauna, as well as many of their family members, are members of the Lizzies.

They have left us with wonderful memories & will be greatly missed.

Please take a look at the “T’n Vittles” and “Meeting Refreshments” lists. If you would like to sponsor a breakfast, or bring snacks to one of our meetings, call Linda Riel @ 459-5897, or email lmrrieldeal@centurylink.net. If you have any questions, please do not hesitate to get in touch with Linda. **The following dates for 2014 are subject to change!**
