## *President's Corner*

What an exciting day. Just got back from Coronado Monument. It was great to be visiting with the people and it's really neat to see the Model T's out on the dig site. We had a good turnout of Model T's. Looks like the National tour is starting to come together. I'm really excited to be headed out to Silver City for our tour. Looks like we will have a great time. We are now officially in great Model T driving weather. (A little rain won't hurt us) I'm glad to see that we've added some cars to our membership. So, let's get our cars out driving around, and I will see you at the next event. Let's keep our first responders and service personnel in our thoughts.

## Hear Ye ! Hear Ye!!

Be it known in all the land that men from the Albuquerque Tin Lizzies have been traversing around the land to collect parts to complete another Model T or have actually brought a

Model T almost complete to our little community. Included in this deed are:

- \* Larry Azevedo— his 5th Speedster a 1921 Gilmore special that has been in 30 Speedster runs from a chap in California

- \* Bob Ross has purchased a 1924 Two Door Model T Sedan that needs a total Upholstery redo, but it runs good from Arkansas

- \* Dave Merewether bought a 1922 Center Door Model T Sedan from a man in Illinois

- \* Mark Wing has ventured from California and Colorado to get enough parts to build A 1917 Model T and a 1911 Model T Touring from the ground up. Good work day projects!!

Keep up the good work expanding our club

## CORONADO MONUMENT CELEBRATES 75 YEARS

On Saturday, May 30, the Tin Lizzies were invited to join the Park Service in celebrating 75 years at Coronado Monument. Some of our cars were parked around “Dig Sites” while some were left on display around the parking lot. Rangers were dressed as 1940’s Archeologists and scattered around the site. Some of our people joined in the acting and had a great time. As always food and fellowship flowed easily throughout the day. According to Ethan, the Monument had 900 visitors at this event. Twelve Model T’s showed up for a static display as well as 5 Model A’s. Thanks to : Paul & Marilyn Duncan, Larry & Lorna Azevedo, Fran Gurule, Mark Wing, Don and Ann Merewether, Bill and Donna Hansen, Bob Hawk, Michael and Betty Housholder, Bob Ross, Luke Berglund, Melody and Orlando Ortega, Mark Dominguez, John Hayne and Brian and Carolyn Gilmore. From Ethan (our own Park Ranger) thanks to all helped make this a great day. Pictures are by Mark Wing and Larry Azevedo. Thank you

## TIN LIZZIES CLUB MEETING

### TIN LIZZIES CLUB MINUTES

May 28, 2015

The May meeting was held at the Vineyard, 6118 Edith, NE in Albuquerque. The meeting was called to order by President Mark Dominguez who led us in the Pledge of Allegiance. Joe Fellin from Arizona and John were guests at the meeting.

The minutes were approved as published.

Marilyn Duncan, treasurer, gave the treasurer's report.

Committee reports were given. Dave Merewether reported that the NM Car Council's Museum Car show had 308 cars present and did not quite break even on expenses. The Great Race will be in town at the Unser Museum with 117 cars on Thursday, June 24 at 11:30 for those who wish to see the cars. On July 11 there will be a Show and Shine event for the National Collector Car Appreciation Day. It will begin at 10:00 at 1300 Third Street, NW where hot dogs will be served and will end about 2:30 in the village of Tijeras. Linda Riel reminded us that membership updates should be given to her so that her calling list is kept current. Robbi Ross said that the deadline for submission of information for the Newsletter would be Saturday May 30 or Sunday Morning. Kirk Peterson continues to do a great job with getting out e-mails to the membership. Mark Wing reported that information on the May 2 work day have been added to the website, as well as linking the Newsletters to the website. A card was sent to Clarence Schritter by Kirk for hospitality chairman Bernice Young. Kirk will fill in for Bernice for the next two months. Items are available for checkout from the Librarian and all parts are in stock for the Quartermaster with the exception of a Bendix set which was recently used on a member's car and needs to be replaced. Marilyn Duncan reported that our Tin Lizzie membership is now at 85 active memberships which includes 16 complimentary memberships for those over 80 and those that have paid for Life Membership.

Mark and Sharon Dominguez, Samantha Sanchez, and Kirk and Susan Peterson took their cars to the Fair Winds Retirement Center on April 25 and were rewarded with good food and lots of appreciation for their cars. Kirk and Susan Peterson, Stan Gauna, Samantha Sanchez, and Mark and Sharon Dominguez took their cars to the Atrisco Heritage Academy high school prom held at Expo New Mexico Leon Harms Youth Building. Students attending had their pictures taken with the cars. On May 27 the Santa Fe Christian Academy held a Classic car show as a fundraiser. All kinds of cars were on display, including Kirk and Susan Peterson and Mark and Sharon Dominguez with their Model T's. Tiger's car won the Kids Choice Award.

Our May 9 T 'n Vittles at Larry and Lorna Azevedo's home was well attended with 38 to 40 attendees. Driving Certificates were awarded to several of our ladies for completing some driving maneuvers. Recent work parties have concentrated on rebuilding "rear ends", and with work on Ethan's speedster.

New Business discussion was as follows:

The 75<sup>th</sup> Anniversary Celebration at Coronado Monument to be held May 30 from 12:00 to 5:00 has a theme of "Party Like it is 1940". Sign ups were requested for Model T's to be at the event along with some Model As from the Model A Club.

The Spring Tour hosted by Larry and Lorna Azevedo to Silver City is June 3rd to 7<sup>th</sup>. Schedules

and information sheets were distributed. One highlight will be a manifold lunch.

We have a request for a Model T for use at a wedding on June 6 at 10405 Comanche, NE. The June T 'n Vittles is hosted by Mark and Susan Dominguez at Weck's, 1690 Rio Rancho Blvd (HWY 528) beginning at 8:00. A work day will follow at the Azevedo home.

The Model A Club has invited our members to join them on June 20 at 8:00 am for breakfast at the Los Ranchos Community Center on Rio Grande Blvd. A count was taken of those who could attend.

Our club will again participate in the Corrales July 4<sup>th</sup> Parade with a picnic following at the Azevedo home.

Linda Riel reported that the Rich Ford Edgewood car display will be on August 22. She will need a head count by August 8 of those who can bring cars.

Marilyn Duncan reported that we are still 2 persons short of the number required to reserve the Parlor car on the Chama Narrow gauge train for the Fall Tour. This tour is scheduled for August 27 to August 30.

Our August meeting will be one week early on August 20 to avoid conflict with the fall tour. This will be our yearly ice cream social.

September 13 is the date for our State Fair car display. This year we will have a Ladies' Take apart demonstration. One to two practice sessions will be needed.

Monthly meetings are continuing as the committee plans the National Tour in 2016. The new meeting time is 6:30, just preceding the regular monthly meeting.

Refreshments for June will be provided by Fran Gurule and Jeff Richards.

New cars in the club are a 1924 Tudor Sedan owned by Bob and Robbi Ross. Dave Merewether brought back a 1922 Center door from Illinois. Larry Azevedo now owns the 1921 Gilmore Special that his father rebuilt the motor on. Mark Wing has now assembled parts necessary for a 1917 T and a 1911 T Touring.

Meeting Refreshments were provided by Don Mitchell and Dave and Ann Merewether. Thanks for the lovely refreshments. The Raffle was held and winners announced.

The program was presented by Paul Duncan. He showed a vintage video of an old Dodge automobile in primitive driving conditions. He also reviewed the book Fordlandia which detailed Henry Ford's efforts to establish a rubber plantation in Brazil. The book has been added to the library.

The meeting was adjourned.

Respectfully submitted, Ann Merewether, Secretary

### WORK DAYS

are still going on. Mondays are reserved for Ethan Ortega who is working very hard with the help of others to get his Speedster built. He is currently working on his Ruxtell, engine and front axle.

While on Saturdays : Kurt Peterson has installed Rocky Mountain brakes in his car; Dave Ferro is working on his Depot Hack; the group raised the windshield for Marilyn and Paul Duncan and Art Gebeau is working on his Rajo engine.

As you can see there isn't a shortage of projects but , there's always room for more.

Come join the fun on either Monday or Saturdays. Bring your own lunch and any projects you may have.

## SILVER CITY TOUR, JUNE 3- JUNE 7

35 Million years ago, the area around Silver City was a complex of super volcanos, changing the land & creating vast craters & canyons where rivers now run. This left behind one of the richest mining areas in New Mexico, yielding millions of dollars in gold, silver, copper, & other minerals.

The Native Americans mined the copper, & soon many other miners came to the area. In 1866, Ft Bayard was established to protect mining activities & settlers from the Apache, who took exception of the exploitations of their land.

In 1870, due to the discovery of Silver, Silver City grew from a single cabin to over 80 buildings. The Silver City mills were producing \$16,000 of bullion a week by 1875.

The following is a brief description of our tour. We'll tour 2 ½ days. The Palace Hotel is our "headquarters", but 1 block away is the Murray Hotel...a little more expensive, but another beautiful, old hotel with lots of rooms & a short walk from the Palace.

**Wed, June 3..**, Travel 290 mi to Silver City. We will go through Hatch to avoid the winding road from Caballo Lake to Silver City. It isn't great for trailers or motion sickness! Information on where we will park our trailers will be forthcoming, as soon as we get a count of how many there will be. Explore Silver City on your own or rest for our tour on Thurs. We will meet at the Little Toad Brewery & Distillery (across from the hotel at Bullard & Broadway) for Happy Hour. They have soft drinks, too, appetizers, & dinner if you like. There are other restaurants nearby if you prefer. A list will be provided.

**Thurs, June 4...** We will drive Hwy 35 about 50mi to lunch at The Little Toad Creek Inn & Restaurant. Half way there, we plan to stop at the Mimbres Culture Heritage Site, The Mattocks Ruin. We then return to Silver City. About 4PM we will hop in our T's & drive 6 mi to Pinos Altos for dinner at the Buckhorn Saloon, & check out this interesting little community. Your choice of dinner in the Saloon or dining room. A menu will be provided so you can decide which you'd prefer. We will head back to our hotel before dark-thirty. We will meet at the Toad Brewery for a night cap & conversation.

**Fri, June 5....** Today we'll go to the La Esperanza Vineyard & Winery for a manifold cooker lunch under the Cottonwoods. After lunch, we'll continue S on Hwy 61 to the City of Rocks State Park. The theory is these rock formations were thrown 180 mi from a volcano near Alb. It's \$5 per car to enter the park. We'll take some photos, walk around a bit, & continue to Hwy 180 back to Silver City. Enjoy your afternoon exploring Silver City! We'll meet at the Toad Brewery again for Happy Hour, if we have the stamina! Dine on your own.

**Sat, June 6...** Today we'll head to Ft Bayard for a tour of this historical site, back to Silver City for lunch at the restaurant of your choice, & spend the rest of the day exploring the area. Our closing banquet will be at Vickie's Restaurant on Bullard St...walking distance from the hotel.

**Sun, June 7...**Head for home!

Make your reservations soon! The rooms are going fast. We need a headcount! Let Kirk and Susan know if you are going.
