July 2014

**This great group of Model T enthusiasts worked hard on Tom Miles' project to make this 1927 Touring into a "show car" that now sits on the top of a tower in downtown Richmond, Indiana! It didn't look like much when they started the project, but it sure looks great now that it sits atop the tower...see pg 9 for the story! (L-R Larry, Michael, Bob R, Dave, Mark, Tom, Vernon, & Don S.)**

### Ten Steps of T'ing by Susan Peterson

1. Admit you have a "T" problem
2. Realize you don't have enough money for everyThing you want
3. Grease/oil doesn'T come ouT of cloThes
4. Your car won'T ever be finished
5. You will noT ever have enough cars
6. Don'T name your car after an old flame
7. Your spouse will demand equal Time and money spenT on your T
8. If IT can break, IT will
9. Don't give your spouse a Model T as a gift
10. Tours are noT vacaTions

## President's Corner

What a busy month! We had fun participating in the June breakfast, giving rides to the Vineyard residents. We also did another community service show at a rehab center. Our senior citizens really appreciate our cars. We had some fun work days this past month with the highlight of our third Youth Work Day. Pictures of the work day will be in the next newsletter. Our 6 youth participants partially disassembled Russell Dilts Touring car engine and found the source of the knocking—number 2 rod bearing was burned out. We ended the day with a great lunch provided by Tom Miles, driving and parallel parking lessons in a T and some swimming. Don't forget the 4th of July is coming up! I am looking forward to a nice day with our Model T, Model A and V8 friends.

Larry Azevedo

### July 12 T'n Vittles

Mark your calendar to make sure you don't miss our T'n Vittles in July!

We will travel on our own (or get together with others) to Bernalillo & have breakfast at the Range Café.

After we gorge on breakfast, we will take a tour out to Coronado Historic Site. Ethan Ortega, a Lizzie member, works at the Historic Site, & will give us the grand tour of the area!

Sounds like we are in for an interesting tour, & not only will we have fun driving our T's, we will also enrich our minds with all the historical knowledge Ethan & his co-workers can impart to us!

Let's make this a well attended event!

Take extra water, sunscreen, & hats!

### July 4th Corrales Parade & BBQ

The 16th annual 4th of July parade & BBQ comes up Fri, the 4th.

Be at the Azevedo's about 8-845AM to decorate your car, if you like, & we can all drive to the school together, or just meet us at the school.

We need to be at Corrales Elementary School by 9AM for the line up. The parade starts at 10AM & should take about 30 min or so.

We will then drive back to the Azevedo's for our pot luck/BBQ directly after the parade.

The burgers, dogs, & fixin's will be provided. Just bring a covered dish, appetizer, or dessert, & your choice of beverage if you want something other than Lemonade! Bring water!!

SEE YOU THERE!

## St. Theresa's Rehab Center

We had a great time on Sat, June 19, at the Rehab Center. They had asked for several T's in honor of Father's Day, & 5 T's showed up with fairly short notice! There were 12 Lizzies on hand to mingle with the residents, hear their stories, & tell them about our cars. They were a very appreciative audience! A big **Thank You** to the Souther's, Ross's, Azevedo's, Mark Dominguez, & Kirk Peterson for taking their T's!

^^Bob Jackson joined us at St. Theresa's. He is currently working on a Touring car of his own!

## **TIN LIZZIES CLUB MEETING**

**June 26, 2014**

President Larry Azevedo welcomed club members to the June meeting. We then recited the PLEDGE OF ALLEGIENCE. John Hayne's brother from Ariz, Bob, & Larry Azevedo's grandson, Derek, were guests. Minutes of the May meeting were approved as published. Larry gave the treasurer's report in the absence of Julie Dilts. Secretary Ann Merewether reported that the only correspondence received was a request for donations from the Roadrunner Food Bank.

Reports were made from standing committees. Dave Merewether reported that the N M Council of Car Clubs was negotiating with Zia Indian Pueblo members to continue to use the Zia symbol on their letter-head; a picnic is planned by the group for Aug 10 at Bear Canyon campground pending reopening of the camp by the forest service; the swap meet will be in Los Lunas Sept 26-28; The Concours du Soliel Car Show in Alb is 9/21; the Santa Fe Car show will be 9/28. Kirk Peterson reported that he is sending a lot of e-mails & asked members to check out the poem written by Larry's mom in the Santa Clara Newsletter. Lorna Azevedo requested information be submitted for inclusion in the Newsletter be received by Sun, June 30. Mark Wing continues to keep the web page updated with pictures & information on our work days & other activities; visits to the webpage the past month were 760. Linda Riel will take names & call with meeting reminders for all who desire. Lorna reported for Bernice that cards had been sent to Clarence Schritter & Skip Dunn. Librarian Mark Dominguez & Historian Marilyn Duncan reported that all materials were ready to be checked out. Quartermaster Larry Azevedo reported that 3 bands from inventory had been used on Bruce's car & would be replaced soon. Linda Riel requested a volunteer to schedule T&Vittles for October 11.

Betty Householder reported we had 8 or 9 cars at T&Vittles on May 7 at the Vineyard. Model T rides were given to residents. A highlight was a 93 year old passenger who was intrigued by the thermometer on the radiator.

Recent work days have been used to work on Bruce's engine, Mark's rods, put Cole's car together, work on Bill Hampton's ignition switch, complete Michael's car. Bruce's engine will be installed in his car on June 30 work day. Five youths are expected for the June 28 Youth Work Day. They will work on the Dilt's car. Tom will be providing food for attendees and the Azevedo pool will be open.

T&Vittles for July 14 will be at 9AM at the Range Cafe in Bernalillo. Then we will go on a tour of Coronado Monument hosted by Ethan & his co-workers with pictures of the monument containing Model Ts and Model As. August T&Vittles will be at the home of the Willan's. Maps were available.

Tin Lizzie members will participate in the Corrales 4<sup>th</sup> of July parade. We will meet at the home of Larry & Lorna at 9am to prepare to join the parade route at the school at 10AM. Following the parade will be a pot luck lunch at the Azevedo's. Hot dogs & hamburgers will be provided. Each attendee should bring a covered dish.

Sharon Dominguez requested type of food suggestions from the members for the member appreciation/Christmas dinner. No requests were made, so Sharon is to make that decision.

There are 5 model Ts & extra parts for sale in Mountainair. Also a 26 roadster is for sale with pictures and details in Kirk's e-mail.

Bob, with assistance from Mark, showed members a dimpled falloe from a 25 Touring Car. Although it is rare and interesting, it makes the wheel unstable and unsafe and is not recommended for use in our Ts. Our thanks to Gerald Hash for providing the refreshments for the meeting.

Kirk Peterson presided over the raffle for tonight's prizes.

Orlando Ortega is arranging a tour to Mountainair, NM for the club on Sept 19-21. It will follow historic Hwy 66 to Moriarty, then Hwy 41 to Mountainair. Return trip will be via Los Lunas where Vern has arranged to eat at a historic restaurant. While in Mountainair, the group will stay at the historic Shaffer Hotel and visit some of the historic ruins in the area.

The group was reminded that the Model T exhibit at the State Fair is Sunday, September 14.

John Hayne presented the program for the evening with a display of headlights from various years of the T. Emphasized was the placement of a disappearing screw hole.

The meeting was adjourned. Respectfully submitted, Ann Merewether

## Albuquerque Tour with the Furstnow Family & Friends

Sat, May 24, started out bright & sunny. Six T's from the Tin Lizzies met three T's & a modern car from the Flagstaff Model T Club at the UNM Football Stadium on University. From Flagstaff, Az, came Russell & Kathy Furstnow. Also, from Flagstaff was their son, Russell & his wife, Ashlee, & their children, Jordon, Laurel, & Aubrey. From Albuquerque, was their daughter Dana & her husband, Tony Marchand, & their three children, Sydney, Morgan, & Kinsey. Also, from Flagstaff were Dick & Joyce Erferts, driving their Audi.

Russell & Kathy were driving their 1915 Runabout. Russell, Ashlee, & family were in their 1921 Touring, & Tony, Dana, & family drove their 1927 Tudor.

We toured W on Central Av & made a stop at Old Town before traveling to the Petroglyph National Monument. We spent some time there hiking through the petroglyphs.

The rains threatened, so we loaded up & headed for the Flying Star on Corrales Rd & Alameda where we had a delicious lunch.

The Lizzies departed for home while our guests headed for the National Atomic Museum. We had a wonderful day, met new friends, & saw new areas. We are thrilled to welcome our new members, the Marchand family.

Ready to roll from the Lobo Stadium!

>>>We stopped in Old Town on our way to the W Side.

## "Car on the Tower" Saga

On May 31st, the Tin Lizzies were called upon to help Tom Miles get a project finished for the National Club.

Tom drove up with a rusty 1927 derelict Model T Touring destined to sit on top of a tower in downtown Richmond, Ind, near the Model T Museum.

The Club that volunteered for this project back in Oct needed help getting the car welded, sanded, & painted, so Tom Miles drove to Tex, picked up the car, & brought it back to Alb. On Sat & Mon Work Days, Tom brought it to the Azevedo's, & the Lizzies welded it, sanded the rust off it, & made it presentable. Tom put primer on it, had it painted, put it back on the trailer, & met up with Bud Redding in

Tx for delivery to Ind.

How wonderful it looks atop the tower after it was finished!

Lots of rust? A little welding? No problem for our guys!

Don & Vernon get the windshield in place.

Are we having fun yet, Paul??

Atop the tower in Richmond, Indiana!  
Great job , guys!!

OK, back on the trailer. Tom Miles then made sure it was primed & painted before delivering it to Bud Redding in Texas, & then on to Richmond !

## Breakfast at the Vineyard, June 7, by Betty Housholder

A big THANKS to all who came to the Vineyard on June 7! I hope everyone enjoyed the breakfast. There were around 25 Lizzies, 9 T's, & 1 Model A.

After a wonderful breakfast, several residents took rides, & looked at the cars. About the time we thought it was over, several more people showed up & went for more rides!

Kirk took a 91 year old lady, her daughter & possibly a grandson for a ride. According to the daughter, when they got back, her mother was nearly in tears because she got to ride in a T. The mother talked for a long time to Kirk & some of the guys, & looked at cars that were still here.

Many people talked to us & said they would see us next year & go for rides. I was surprised that it was 10:00 AM or later before the last 4 or 5 T's were able to leave!! Here's a few pics of the event!

Ready to go in to the Vineyard for a delicious breakfast!

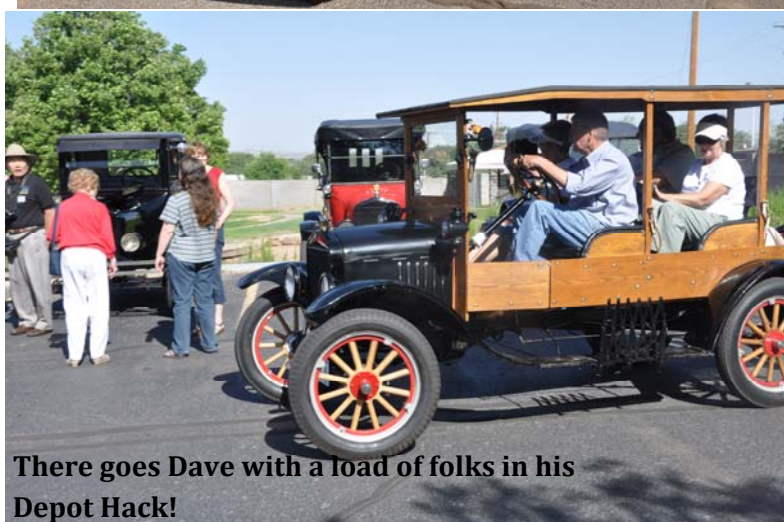

Enjoying Lizzie camaraderie before going in to eat!

Our Lizzies are lined up ...ready to give the residents rides!

Susan & Sharon enjoying the shade!!

There goes Dave with a load of folks in his Depot Hack!
