IN MEMORIAM - BOB SIEGLITZ BY Larry Azevedo

A couple of years ago Bob gave a great presentation to the club about his trip from Los Angeles to Albuquerque circa 1937. There was no pavement and the total distance was about 1500 miles! He had only one small car problem shortly after he left LA and had no flat tires(!). Driving across some of the desert required driving on sheets of plywood that he had to lay in front of the car, drive over and then move the plywood. The trip took two weeks. See Obit on page 9.

President's Corner

Hi all.

As I'm looking out my window and seeing all the snow, I am wishing that spring would get here, so I can get out and drive my model T. We had a wonderful meeting. sounds like we're going to have two wonderful tours coming up. I can hardly wait to see all the fantastic sites that are in stored for us. I'd like to thank the wonderful people who are putting on these two fabulous tours. This coming week-end we have Rich Ford on Wyoming, so please help us support Rich Ford for they have supported us over the years and hopefully years to come. For those attending the national meeting I'm glad that you are representing our great club. Everyone be safe and we will see you at the next club function. Thank you.

IN MEMORIAM

SIEGLITZ, ROBERT AVERY SR. A Salute to Robert Avery Sieglitz, Sr. March 9, 1915 February 12, 2015 "I have more fun and have done more things than anyone I know. I really enjoy life!" Barely three years after New Mexico became a state, Robert Avery Sieglitz was born in Las Vegas, New Mexico to Frank Peter Sieglitz, Jr. and Maude Avery Carse Sieglitz. He was raised in a family of four other siblings: stepbrother Ellis H. Sieglitz, brother Frank C. Sieglitz, sister Maude C. Sieglitz Bush, and brother Joseph E. Sieglitz. Bob spent most of his life in Albuquerque, where he attended Lincoln Junior High School, Albuquerque High School (graduating in 1934) and University of New Mexico. "I married my nurse!" Bob recalled meeting Emma Jane Guthmann in 1938 while having his appendix out. Jane and Bob married January 28, 1940. Together, they had three children: Janie Sieglitz Kobes of Conroe, Texas; Robert A. Sieglitz, Jr. of Sacramento, CA and Peggy Sieglitz Pultorak of Granbury, Texas; six grandchildren: Glenn R. Kobes, Jeffrey W. Kobes, Jennifer L. Pultorak Shafer, Edward J. Pultorak Jr., Sandra Jo Sieglitz Stone, and Sutter King Sieglitz, and 12 great grandchildren. Bob's first job was delivering ice in Las Vegas, New Mexico. In his younger years, he cut logs, delivered newspapers, and worked for Montgomery Wards, ushered for the Kimo and Sunshine Theaters, and then drove an ambulance. He worked with the National Youth Administration (which helped built the first Sandia Mountain ski run at Doc Long's Picnic Ground) and helped to survey at Chimayo, Pojoaque, San Juan and Otawi Bridge for the Bureau of Indian Affairs. Later, Bob worked at Highland Aircraft Engine Company, Lockheed, the Matson Navigation Corporation and at Sandia Base." In 1945 he became chief electrician and daily operator of Conchas Dam. In 1955, Bob started his insurance career. He retired from Massachusetts Mutual Insurance Company in 1980 at age 65. An innovative entrepreneur, Bob started the fiberglass plant Nu Pro Manufacturing and a water ski park. Later, he went to work in Dhahran, Saudi Arabia with Arab Establishment for Projects. That job also took him to Thailand and Hong Kong. Until he died, he collected and restored Model T Fords. He could not bear to sell his inventory and still owned five Model T's on his death. Of his long and varied work experience, Bob proudly said, "I have made and lost several fortunes, but I have always come out on top." A life-long Episcopalian, Bob Sieglitz was the first acolyte of St John's Cathedral. Later, for years, Bob and Jane and family prepared Easter morning breakfast at the church. An avid fly fisherman, Bob first fished the Jemez River in 1927. Observers envied his skill in being able to pull a fish from where others could not even get a bite. At age 72, he became a certified scuba diver and logged more than 90 dives all over the world. Ten years after Jane died in 1982, Bob met Lawauna Jayroe. She became his close companion until she died in 2009. Bob enjoyed telling the story of fishing the Jemez River at Hummingbird Music Camp a few years ago. He tripped over a log and fell. The proprietor of the property, a good friend admonished, "I don't want you coming up here, falling in the river, and dying." Bob looked at her and said, "What a way to go! Wouldn't that be great! Me with a fish on the end of my line, and then I fall and hit my head on a rock. That would be a great way to go, I think." We will miss him. There will be a Celebration of his life to be held on March 7, 2015, 2pm-5pm. Call for information to Barbara Baca (505) 410-9446. Donations can be made in his name to the Hummingbird Music Camp Scholarship Fund, (104 Hummingbird Dr. Jemez Springs, N.M. 87025) and/or the UNM Students Mentor Program, contact Lloryn Swann (505) 272-4837.

The reception for Bob's 100th birthday will now serve as a Celebration of his Life from 2-5 pm at the Elk's Lodge 2430 Central Ave SE Albuquerque. Those going to Rich Ford have been given the blessing to leave early.

TIN LIZZIES CLUB MEETING

February 26, 2015

Mark Dominguez, President, called the meeting to order, followed by the members reciting the Pledge of Allegiance.

The January minutes were approved as published in the Newsletter. Marilyn Duncan, Treasurer, gave the Treasurer's report. The group was reminded that those who have not paid their dues for 2015 may still do so before our report is made to the MTFCA.

Committee reports were given. Dave Merewether reported that the car council as well as the City of Albuquerque have several events planned for the year and that they need volunteers to help plan and execute the events. To volunteer, contact NMCC at oldcarnut1932@earthlink.com or Eric Warner at ewerner@cabq.gov for the City of Albuquerque. Robbi Ross reported that Saturday, February 28 was the deadline for submitting information to be included in the Newsletter. Mark Wing reported that he had posted pictures of 3 work days and the Breakfast at Weck's on the website. There were 600 unique visitors to the website. Hospitality chairman Bernice Young sent two cards—one to Gerald Hash on the death of his brother and one to the family of Robert Sieglitz. Librarian Mark Dominguez said that any materials may be checked out for use by members. Members may request materials be brought to meetings or picked up at Mark's home or office. Historian Marilyn Duncan reported that all the missing Newsletters had been printed by Robbi Ross for inclusion in the History records. Kirk Peterson kept the e-mails coming to us, even from Hawaii. Quartermaster Larry Azevedo reported everything was accounted for. Raffle prizes were displayed and members were given time to purchase tickets during the break.

Bob Ross reported that the February breakfast at Weck's had 4 cars and 35 members present. Thanks Bob and Robbi for sponsoring this event.

A work day will be held on Saturday, February 28. March 2 will be a special work day devoted to work on Ethan Ortega's car. Both work days are at Larry and Lorna's.

Bill and Donna Hansen will host the March 14 breakfast at the Range Cafe in Bernadillo.

Tom Miles will host the April 11 breakfast at Monroe's on Lomas NW and it will be followed by a short tour to see the locomotive restoration project.

The Rich Ford Model T display will be held on March 7 from 9 am to 3 pm. Nineteen car owners will display a Model T. Larry and Lorna's two 1915 T's will be on display in the showroom to commemorate 100 years.

The memorial for Robert Sieglitz is on March 7 from 2 pm to 5 pm.

The National Model T meeting will be held in Anaheim, Orange County, California on March 27.

Tentative plans for a summer and fall tour were presented. Larry & Lorna Azevedo and Kirk & Susan Peterson are planning the summer tour to Silver City on June 4 to 7. The fall tour is being planned by Bob & Robbi Ross, Paul & Marilyn Duncan and Dave Ferro & Laura Kammerer to Chama on August 27 to 30. Lots of fun activities are in the planning stage. Stay tuned for the final schedule.

The State Fair in September will have a Model T display and the ladies will do a car demonstration of taking a car apart and assembling.

Larry and Lorna Azevedo are planning some Kids' work days and Larry requested suggestions for dates to schedule the events. Sounds like fun for all who can attend.

The May 9 breakfast will be hosted by Larry and Lorna and that will be followed by a ladies' Model T driving event.

The cover for the next Vintage Ford Magazine will be a picture of our Tin Lizzies at the Abo Monument taken during last year's Mountainair tour.

It is important to keep our membership in the MTFCA above 50% in order to be covered by the insurance for the club events by the national organization. To encourage membership in national, Larry Azevedo made the motion that our local club give each person who is not a MTFCA member who places a new membership, be given a one year free membership in our local Tin Lizzies. The motion was seconded. After discussion, the motion carried. If a person has already paid this year's membership in the Tin Lizzies, they will be given credit for membership for 2016.

Kirk Peterson announced that the Santa Fe Christian Academy where his grandson Tiger attends school is planning a fund raiser on May 2. Members were requested to bring their cars to display at the event. A raffle will be held to win a 1968 Camaro and other prizes.

Delicious cookies and drinks were provided and served by Robbi and Bob Ross and Marilyn and Paul Duncan.

Paul Duncan presented the program on the Model T books written and published by Victor Page.

The meeting was adjourned.
