## *President's Corner*

Hi all,

We are in the middle of Model T driving, remember that we have some great driving coming up. August is going to be a fast and busy one. To start off with the HVA Road Trip with a 1915 Model T coming in to town on Friday, and our T n Vittles on Saturday, then Rich Ford in Edgewood and The Chama Tour. Check for dates in this news letter.

Had a great time at the Buena Vista Senior Care. Thank you Kirk Peterson for helping me out. They gave a nice donation to the club, but it was nice to help them out. I feel that we should do more events like this.

Remember that the August meeting is a week earlier (August 20th) due to the tour. Do not forget to check your car out before you drive it. I found that out the hard way. I was pulling off the back wheels to put a part on that I had ordered and my axle key was shattered. So Clarence and I had to rebuild the rear end. It was great to have him help me, thank you very much. So, remember to keep your car in ready order. Let's get out there and be safe.

See at the next event.

Mark Dominguez

Calling all Women! Now is our chance to show the Guys in our club that we are more than just a pretty face who can dress divinely. We are going to do the "take apart" car at the State Fair. Larry is going to narrate what we are doing and there will be help to put the engine in (it's heavy).

On Sept 4 after 5:00 men, women and kids are invited to help clean up the car so she will be pretty for the Fair.

On Saturday, Sept 5, at 10:00 am, we women will be instructed how to take apart and reassemble the car. We will have another practice on Saturday, Sept 12 and will do this thing on Sunday, Sept 13 at the State Fair.

So if you ever thought that you'd like to get your hands greasy and dirty, now is your time!

## WORK DAYS

Larry opens his garage many times a month to any and all club members who would like to work either on their own project, work on someone else's project, or learn something new. Lots of things are happening and lots to do. Women are also welcome to attend these work days.

On July 25, Larry hosted a work day at his garage . There were two new acquisitions to be worked on. Bob Ross brought in their 1924 Sedan in to have the running boards, fenders, splash apron, hood shelves, re-fastened after getting the car painted. Don Souther's trailer brought in the 1923 Coupe that Vernon Armstrong bought from Vaughn. With all the extra hands around, a lot of work was completed on both cars. Pictures above are the 1923 Coupe that Vern acquired. All Photos by Bob Ross

## BUENA VISTA CAR SHOW

Story and Pictures by Mark Dominguez

We had a request for cars at Buena Vista Senior care. So, Kirk Peterson and I volunteered to drive our cars and show them. We had a nice time and so did the residents. One man used to repair them and he even checked out Kirk's end play on his steering wheel. I had a request from a resident for a uga horn, so he could replace the bicycle one that's on his wheel chair. (He used to have a Model A.) I told him we would keep an eye out for one. Both Kirk and I enjoyed doing this. It's nice talking to them and sharing their stories. Remember they are the pioneers that help build America, and we need to show them our thanks and respect that they deserve. One day we will be in their spot, and hoping that someone would stop by so we could tell our story.

Residents enjoy seeing the cars brought by Kirk and Mark.

Most were in wheelchairs so rides weren't Easy to do.

Mark & Kirk parked their cars in the drive At Buena Vista

One of the staff members brought a resident close so they could get a better look

## TIN LIZZIES CLUB MINUTES

JULY 23, 2015

The July meeting was held at the Vineyard, 6118 Edith, NE in Albuquerque. The meeting was called to order by President Mark Dominguez who led us in the Pledge of Allegiance. Former member Brian Dean was a guest who became a new member.

The minutes were approved as published.

Mark Dominguez gave the treasurer's report for Marilyn Duncan, who was unable to attend. Dues and raffle income were reported.

Committee reports were given. Dave Merewether reported on the NM Car Council. The swap meet September 25-27 needs volunteers to work four hour shifts. The all clubs picnic is at the Oak Flats picnic area on Sunday, August 9<sup>th</sup> from 10 am to 3 pm and requires a \$5.00 per car entry fee so pack your cars with as many people as you can and plan to attend. Linda Riel reminded all to update her with any changes to her calling list. Two changes to the membership list were requested. Rose Ross' e-mail was corrected and Tom Miles cell phone number should be corrected. Robbi Ross said that the deadline for submission of information for the Newsletter would be Monday evening, July 27. The club expressed their appreciation for the wonderful June Newsletter. Kirk Peterson continues to do a great job with getting out e-mails to the membership, even from his trip to the National Tour in Canada. Mark Wing reported that new additions to the website are information on our Silver City Tour, the July 4<sup>th</sup> parade and picnic, with pictures from the July T'n V pending. There were 627 unique visitors to the site. Bernice reported that no cards had been sent last month. Items are available for checkout from the Librarian and all parts are in stock for the Quartermaster with the exception of a Bendix set which was recently used on a member's car and needs to be replaced. Larry reported that the Dilts' car has now left Albuquerque for its new home in New Orleans after he taught the truck driver to drive the car.

Items for the raffle were shown and members given an opportunity to purchase tickets to win one of the two prizes.

Refreshments for the meeting were provided by Stan and Janice Gauna and Mark and Susan Wing. Thanks for the wonderful food.

The July 4<sup>th</sup> parade had 17 Model T's and 10 Model A's. About 95 members of the two groups attended the picnic at the Azevedo residence.

The T'n V breakfast hosted by Dave and Ann Merewether was held at the Golden Corral and had 35 attendees and 3 cars for display.

Monsignor Richard Olona is now the owner of Ralph Johnson's 1924 Roadster and Monsignor Olona joined our club. John Konwiser is also a new member.

Kirk Peterson gave a report on the National Tour that some of our members attended. There were 100 cars that drove 333 miles. Places visited were Banff, Lake Louise and the Pioneer Village. Much of the tour was rained out.

Buena Vista Senior care at Wilshire and San Pedro invited members to bring Ts for the enjoyment of their residents.

Vaughn Rockafellow is in touch with organizers of the HVA Road Trip of the Century. A 1915 Model T and a 2015 Mustang left Detroit on July 17 to recreate a trip made by Edsel Ford to San Francisco. Orlando Ortega plans to meet the group in Las Vegas and travel with them to Albuquerque. All members desiring to join them for a part of the New Mexico trip may do so. Vaughn will keep

members updated as the schedule for arrival in Albuquerque is updated.

All of Linda Riel's T parts have found a new home.

The August T 'n Vittles will be held on August 1 at the Vineyard, hosted by Betty Householder.

A reminder that the regular meeting in August will be held on August 20 instead of the usual 4<sup>th</sup> Thursday. This accommodates our tour to Chama. This is our ice cream social.

Linda Riel reminded us of the Rich Ford Edgewood display on August 22. Participants will meet at Central and Tramway at 8:00 am for the drive to Edgewood. She needs a car count by August 8.

Robbi Ross updated members on events planned for the Chama tour August 27 to 30. They now have the 20 members needed for the reservation of the parlor car on the train. Activities include the train ride, Model T drive along beside the train, vintage attire, T photos with the train and a photo contest. Winners of the photo contest will be announced at the September meeting. All attendees will have lanyards that will entitle them to discounts as some of the merchants. Attendees should dress for cooler weather.

The 2016 tour planning is progressing at the monthly meeting held just prior to the regular T meeting. A tentative budget for the registration costs for each entrant is \$235 for the car owner and \$185 for an additional person. Children 6-14 will pay approximately \$100.00 as an emphasis of the tour will be on our youth who will do part of the registration activities. Special youth activities are planned. Mark Dominguez has requested the disbursement of funds from the national organization that are available as a loan to use for startup expenses. Trial runs on proposed tour routes were made by Vern Willan on Hwy 14 to Madrid to establish difficulty and times. Individual photos of all participating cars will be taken at the stop in Madrid, NM.

Model T s are requested for display at the Harvest Festival in Corrales on September 26 and 27.

Raffle winners were Bob Ross and Linda Riel.

Vern Armstrong proudly announced that he now has a Model T.

The meeting was adjourned.

Respectfully submitted, Ann Merewether, Secretary

FROM NM CAR COUNCIL

This is a friendly reminder that the Los Lunas Swap Meet is approaching. If you were a vendor in 2014 and want your space back, the deadline is August 8 to insure you get the same space. So far, over 100 reservations have been received, and there are many waiting in the wings to get the unclaimed spaces. Remember that we sold out last year. The sooner you get your reservation in, the better your chances of choosing your space. If you did not get your forms, or you don't remember receiving them, please respond immediately. We expect another big turnout.

Thanks for responding.

Joyce for NMCCC

I'm searching for Antique/Vintage cars for Community Event happening on September 26, 2015 from 10-5.

# July 4th Parade & Picnic

Our annual 4th of July parade and picnic in Corrales was a big success this year. Larry had to send out for more buns and burgers! It was a beautiful day with plenty of sunshine and a slight breeze to keep the heat down. The Model A Club joined us at the Azevedo's for the picnic after the parade. Children were plentiful this year, from newborn to teens, giving hope to the fact that a new generation will continue our passion. Thanks to Larry and Lorna for hosting the picnic again this year.
