Official Publication of the

Tin Lizzies of Albuquerque

Volume 37 No. 10

October 2015

The Model T was a staple at Diners in its heyday, as brave adventurers drove their Tin Lizzie across the country. Four of our club members drove their cars to our September T N'Vittles.

President's Corner

Hi all,
Fall is in the air. The leaves will be turning their bright color, and then it will be time to pick them up. This time of the year we will be slowing down a little as we get ready to welcome old man winter. But, we still have plenty of programs on the calendar to do before we close out the year.

We have an election coming up that we need your help on. Is there a spot for you on the board or at the front table? So, think about what you can do for your club because, without you we can not be a club. We need you to volunteer to help us run our club. Do not rely that some one else will do it. You need to be that some one else. So, help us keep your club going in the right direction.

Also, remember that if you have a door prize you would like to donate for the tour just bring it to the meeting or a club function.

Be safe and I'll see you at the next outing.

Mark Dominguez

CHAMA VALLEY TOUR PHOTO CONTEST

Being one of the most picturesque areas in our state, the tour committee decided to have a photo contest for the participants. The categories were: People, Landscape and Transportation. One photo was submitted in each category by participants. We had submissions from: Larry Azevedo, Russell Dilts, Julie Dilts, Paul Duncan, Marilyn Duncan, Fran Gurule, Ann Merewether, Tom Miles, Bob Ross and Mark Wing. The photos were printed and placed on a board without names on them then the club members voted on them. The winners were:

People:

1st Place, Marilyn Duncan who received an Indian pot donated from Che` Johnson in Chama

2nd place, Bob Ross

3rd place Larry Azevedo

Landscape:

1st place, Larry Azevedo who received a ceramic plate made by the resident artist of 3 Ravens in TA

2nd place, Ann Merewether

3rd place, Russell Dilts

Transportation:

1st place, Larry Azevedo who declined the prize

2nd place, Marilyn Duncan who also declined the prize

3rd place, Ann Merewether who received the prize of a Book on the C&TSRR donated by Dave Ferro

T N 'Vittles at Denny's

With 4 cars present and 20 people, the group enjoyed a breakfast at Denny's on San Antonio. The food was good and service could not be complained about. Thanks to Linda for setting this one up.

MONTH IN RECAP

Our club has been kept very busy this year. Our Website and word of mouth has spread the news that we are happy to show our cars around town. These are the places the Tin Lizzies have been spotted in September.

New Mexico State Fair, annual Old Car Show. We did the Take Apart Car three times for the spectators. Vaughn Rockafellow received a ribbon from the Fair for his long time liaison between our club and the Fair. Congratulations Vaughn

Encino Terrace Senior Care, several cars were on hand to shuttle visitors from the parking lot to the festival grounds. Lorna, Janice and Sharon won door prizes. Our club was presented with a donation of \$125.00.

Corrales Harvest Festival, ten cars were on display at this annual festival. Headed up by Larry Azevedo, our cars were on static display for all to see. A good time was had by all who participated.

We do have fun at these events and we educate people on what autos were like in the 1920's. Please join us in our future events and thanks to all who participated this month.

NEW MEXICO STATE FAIR 2015

With the theme of “What a Great Fair”, one would have had to be a Grinch not to enjoy it this year. The weather was great and crowds were abundant, especially when the Tin Lizzies’ “Take apart car” was on. The women in our club, challenged the men to a duel. Who could do a better job? In the end the women won because the men left bolts, washers and who knows what else , off the car. They may have done it in less minutes, but they didn’t get it right! Congratulations Ladies!

Our cars lined up on Main Street

O'Brien's firetruck anchored our line of cars

The Tin Lizzie always brings lots of attention to the Vintage car show. The most often asked question? Is it fun? Do you have to crank it? How far can you drive it? Ford's most popular color may have been black, but we have yellow, burgundy, green and red in our line up.

The ladies worked hard at installing the engine in the frame

Putting on the body

Installing the rear end took lots of hands

Holly works at installing the radiator

Installing the drive line. Holly is on her back underneath the car while Betty helps from above

Done and ready to drive. Lorna drives the car they just assembled

TIN LIZZIES CLUB MINUTES

September 24, 2015

The September meeting was held at the Vineyard, 6118 Edith, NE in Albuquerque. The meeting was called to order by President Mark Dominguez who led us in the Pledge of Allegiance. Mark announced that we have a new member, Jim Glover who owns a 1924 Roadster.

The minutes were approved as corrected. Susan Dominguez was incorrect. It should have been Sharon Dominguez.

Marilyn Duncan, treasurer, gave the treasurer's report. Expense of \$110 for website security and income from the raffle, Rich Ford Edgewood, and dues.

Committee reports were given. Dave Merewether reported that Facebook and website activity is overwhelming and help is needed for this effort. Spaces for the Swap Meet are sold out except for the ballfield. Linda Riel's telephone work continues for those who wish to be called for meeting reminders. Robbi Ross wants material for the newsletter would be Sunday, September 27. Kirk Peterson continues to do a great job with getting out e-mails to the membership. Mark Wing does a wonderful job of keeping the website current by posting news and pictures of club events and networking to other items of interest. He reported that visits to the site were up significantly with 1,072 visits the last 30 days. Cards were sent to Jo Ann Armstrong, Cathy Miles, Kirk and Susan and the family of Dixie Bentley. Items are available for checkout from the Librarian and can be picked up either at his home, his office, or one of the Tin Lizzie events. All parts are in stock for the Quartermaster. The Quartermaster stock of parts is a valuable source of replacement parts for a broken T but need to be replaced. The raffle items this month included a magnetic Tin Lizzie Sign, a lock, and a radiator bracket and a mirror.

Meeting refreshments were provided by Sharon and Mark Dominguez.

Linda Riel reported success for the car display at Rich Ford Edgewood with 17 cars displayed. The weather was wonderful, there were lots of free refreshments, and some owners participated in the blood drive.

Paul Duncan reported that 15 cars and 34 people went on the Chama Tour. Three cars made the trip to Cumbres Pass. The planning committee of Robbi and Bob Ross, Marilyn and Paul Duncan, and Laura Kammerer and Dave Ferro had many enjoyable activities arranged for tour participants.

T 'n Vittles breakfast for September hosted by Linda Riel had 4 cars and 20 people at Denny's restaurant.

Several of our brave female members practiced twice for a Lady's T Take Apart demonstration for the State Fair. Larry Azevedo found it necessary to color code the wrenches for the participants and they were able to put a T together in 32 minutes at the State Fair. The men then decided to do their own Take Apart and their time was 20 minutes and 33 seconds. The Ladies inspection showed two nuts and a washer that had not been installed, so the ladies insisted that they be disqualified. For the State Fair exhibit on September 13 there were 15 cars. The State Fair Board awarded Vaughn Rockefeller with State Fair ribbons in appreciation for his years of spearheading the Model T exhibit at the fair.

Bruce Daniels and Paul Duncan met with Larry Azevedo and John Peterson from Mesa Arizona on September 17 to see and hear about the gadgets that John had developed for a Model T.

Thanks to Larry Azevedo, Stan Gauna, and Mark Dominguez who took cars to the Encino Terrace Assisted Living on September 19 where they gave rides to the residents and visitors. A \$125.00 donation was made to the club.

Neil and Mary Ann O'Brien will host the October 10 T 'n Vittles breakfast at the Range Cafe, 4401 Wyoming Blvd, NE at 8 am.

Dave and Ann Merewether will be representing the Tin Lizzies as they assist at the Los Lunas Swap Meet.

Some of our members will be taking cars to the Corrales Harvest Fest.

Betty Householder gave out car passes to those who will be displaying cars at the Balloon Fiesta on October 4.

The Tin Lizzie Board of Directors will serve as a nominating committee to be voted on for officers for 2016. The list will be submitted at the October meeting and voting will be at the November meeting.

The Corrales Christmas Parade will be held December 5 with the club Christmas dinner following at the Azevedo residence. Dinner will be a potluck and Sharon Dominguez is in charge of sign-ups and volunteers. It was moved, seconded and passed that the club would provide the dessert and non-alcoholic beverages for the dinner.

Larry Azevedo provided sign-up lists for volunteers for helping at the National Tour in Albuquerque in 2016. Registration costs have been set at \$240.00 for a car and driver, \$190.00 for a passenger, and \$100.00 for a junior member. See brochure for items covered in registration.

Kirk and Susan Peterson and Vern Harvey will provide refreshments for our October meeting.

The program for the evening was a photo contest for pictures taken on the Chama Tour. The Landscape category was won by Larry Azevedo, the People Category was won by Marilyn Duncan, and the Transportation Category Award was given to Ann Merewether after Larry and Marilyn declined the honor after already winning one award. THANK YOU ROBBI, for arranging this fun contest.

The meeting was adjourned.

Respectfully submitted, Ann Merewether, Secretary

The Albuquerque Tin Lizzie's Club was well represented at the 2015 Concours du Soleil Car Show by Dave Merewether's 1917 Model T Roadster Pickup. The T took a third place ribbon in the classic car division of the show themed "Driving to the Future". Competition was a 1913 Luna Car built in the 1950's at first place and a 1932 Packard 902 Opera Coupe that placed second. Other cars in the division was a 1931 Rolls Royce Phantom II and a 1940 Darrin Packard Victoria. The T description from the program read as follows: "A driver from the past. In 1917 cars were simpler. The Model T had no starter, no generator, no water pump, no fuel pump, no speedometer and no gauges. The engine was simple enough that farmers could make adjustments and repairs. This car was upgraded to the 1919 configuration with a starter and generator."

Congratulations to Dave Merewether and the Albuquerque Tin Lizzies.
