## President's Corner

Hi All,

The warm weather that we are having is so great that it is allowing us to get out and drive our cars earlier this year.

Do not forget that Rich Ford needs our help on Saturday March 5th. I hope we have a lot of cars come out for this. We need to support them as they have helped us out tremendously through the years. And, later on this month we have another request for cars. So, looks like our activities are picking up.

The national tour is picking up speed. We need all the volunteers we can get to make this a wonderful tour for our friends that are coming from near and far. So please, step up and volunteer. Call Bernice to you see where you can help.

I hope to see you all at the activities we have coming up. Remember to check your car before you drive.

See you on the road.

Mark Dominguez

## HOSPITALITY CORNER

Know a club member who needs a little sunshine ? Are they in the hospital, sick or new baby, marriage, or just thinking about you?

Call Bernice Young at 294-7450 to let her know. She has beautiful sentiments in the way of cards to send out.

## **Important announcement about the National Tour**

Events for the MTFCA National Tour June 26-July 1, 2016 are progressing as planned. The committee has been holding meetings often, but as has been stated, all Tin Lizzies are welcome to attend any or all meetings.

The current registration lists 90 cars, 130 riders and a total of 210 attendees. The itinerary for the tour is listed in the last 2 issues of the Vintage Ford.

**Since the Tin Lizzies voted to host the tour, we need an all-club participation.**

If you plan to attend any portion of the tour, (including [welcoming party](#), hospitality night, pizza evening, or banquet) it is imperative that you send in a registration to Sharon Dominguez ASAP.

**We must have a head count for all of the events since we have limited seating space and we want to include all interested Tin Lizzies.**

We are in need of door prizes and volunteers (see February newsletter).

## TIN LIZZIES CLUB MINUTES

February 25, 2016

The Tin Lizzies met in a regular monthly meeting on February 25, 2016 at the Vineyard, 6118 Edith, NE in Albuquerque. The meeting was called to order by president Mark Dominguez who led us in the Pledge of Allegiance.

The minutes were approved as corrected. Our guest for January was Delbert Ford. Ann Merewether, secretary, reported no correspondence for the month.

Marilyn Duncan gave the Treasurer's report. She reported income of \$ 61.00 for the raffle and \$327.00 in dues. Expense for the month was \$40.00 for our website maintenance. Jessica Lance completed the audit of the treasurer's books and reported all was in order. Vaughn Rockefeller moved that we accept the audit report and seconded by Stan Gauna. Motion carried.

Committee reports were given. Dave Merewether reported that the NM Car Council met on February 24. Fliers were available for the summer swap meet and various car show events. The car council requests volunteers to help stuff envelopes on March 23 for the swap meet. The National Museum of Nuclear Science has invited the Model T Club to display their cars among the airplanes at the museum following our breakfast on August 13.

Mark Wing reported that there were 951 unique visitors to our website during the last 30 days. The website has been updated with the monthly breakfast at the Mule Barn and work days on January 30 and March 20. Bernice has sent cards to Mary Jo McKenzie and Laura Kammerer. Linda Riel will still call all members who desire telephone notification of meetings and activities. Mark Dominguez encourages everyone to take advantage of all the literature in the library. Quartermaster Larry Azevedo reports that new items have been donated and added to the inventory of the Quartermaster. Amarillo member Les Haley finished work on his engine in Larry's shop and had it installed in his T the day he got it home. Congratulations Les.

Historian Marilyn Duncan reports that several more boxes of historical documents have been turned over to her and she is getting those items placed in books. She had some of the interesting documents on display at the meeting.

Marilyn Duncan, membership chairman, reported that we have 12 new members and that our efforts to increase our National Club membership ratio has been successful with our offer of free local membership for 1 year with a new membership in the National organization.

Rich Ford has announced that their 55<sup>th</sup> anniversary celebration will be March 5<sup>th</sup>. Members have indicated that there will be 14 cars and 2 trailers at the show. Linda Riel will be spearheading this show of Model Ts at the dealership.

All other committee members reported no changes.

Items for the raffle were shown and members given an opportunity to purchase tickets to win one of the three prizes—some framed pictures, a clock, a gift card, and magnetic car signs.

Refreshments for the meeting were provided by Dan and Holly Rochford and Kirk and Susan Peterson. Thanks for the delicious cake and root beer floats.

Mark and Sharon Dominguez were hosts at our breakfast on February 13<sup>th</sup> at Murphy's Mule Barn. There were 5 Model T's and 31 people in attendance.

Work days at Larry's garage continue to be productive with car restoration progress. Most of the recent work has been on member's car engines.

The 2016 tour planning is progressing at the monthly meeting held just prior to the regular T meeting. We have 84 cars and 191 people registered for the tour. Additional registrants will be placed on a waiting list. A work day for scarf making will be March 12 at the Azevedo residence.

After the refreshment break, the raffle was held for this meeting's prizes.

The March breakfast will be at Vic's Daily Cafe, 3600 Osuna, NE, hosted by Tom and Cathy Miles.

The Frikin Brewhouse requests cars for display at their grand opening on March 19 at 3351 Columbia Drive NE for their prohibition themed brewhouse. Mark and Stan indicated that they were available to show their cars.

Mark Wing reported that the Horseless Carriage Club invites members of our club to participate in a tour to Madrid on April 30.

March refreshments will be provided by Tom and Cathy Miles and Betty Householder.

John Hayne presented an interesting program on the Chama Narrow Gauge Railroad.

The meeting was adjourned

Respectfully submitted,

Ann Merewether, Secretary

Henry Ford had a better idea. Thanks to his ideas WE now have our toys or cars to enjoy.

Thanks Henry

### WANTED

.I am in search of two rusty, unusable for restoration 26-27 front Model T fenders for use as yard art. I want to put together somewhat of a front end of a Model T for art display. I already have a hood, radiator and radiator shroud, and head lights with the 26-27 bar to attach to the fenders. If anyone has a pair of front fenders, too beat up to use, I am interested in buying them Contact Orlando Ortega

With the national tour coming up that we are hosting, I just wanted to take a moment and see if anyone out there would like to have a name badge created for them. If so, then please contact me [lmrlulubell@juno.com](mailto:lmrlulubell@juno.com) and tell me how you would like your name to appear and if you would like pin back or magnet back. Also, if anyone has a T shirt, jacket, cap or whatever type of shirt and you would like to have the Tin Lizzie logo added to it, then please contact me [lmrlulubell@juno.com](mailto:lmrlulubell@juno.com) and we can get it taken care of.

## FROM THE TREASURER

I have submitted the current 2016 Active Roster to MTCFA to re-certify for club liability insurance. There were 77 Active Memberships with 57 being members of MTFCA (74%). I included a single phone & email contact, as requested for their use. If your name is on the Roster, you may skip to the last sentence of this email. If your name is NOT on the 2016 Roster, please contact me ASAP. Dues are now 30 days overdue & must be paid to continue Active TL Membership for 2016. Dues will be gladly accepted at the February meeting or send a check to the PO Box address. Any member who still has delinquent dues by March 1, will be removed from the Active email & Newsletter lists. Membership can always be reactivated by paying club dues. After the March 1 deadline, I will circulate a new 2016 Active Member Roster to the Active membership via email—copies will be made available for members without email access.

regards, Marilyn Duncan, Treasurer (505) 345-1343 . This was sent to the club members via Kirk. Please review and contact Marilyn ASAP if there is a change. Thank You

### **Work Party at Larry's Garage (Feb. 20, 2016)**

The work party at Larry's garage on Saturday, February 20th was more lightly attended than usual. Our club member in Amarillo, Texas, (Les Hayley), had just finished his 1924 engine/transmission rebuilding project destined for a 1916 chassis and body. Larry and Les had worked on this project for approximately nine days spread out over three separate trips to New Mexico by Les. When Les did drive back to Texas with the completed engine/transmission, he managed to install it the same day with the help of his son. Congratulations Les!

Another frequent work party attendee missing this day was Art Gebeau from Milan, New Mexico. Art had been working on his Rajo head speedster engine for couple of years and recently finished the project at Larry's garage. At a previous work party, Art and fellow club members installed his engine/transmission onto a chassis and he trailered it home. We hope Art is making great progress. We're anxious to see his speedster!

Phil and his daughter Danielle continued working on dismantling an engine for their speedster project. At this work party they removed the main bearing caps, crankshaft, and camshaft. Larry measured the rod journals and found they had been ground previously. As the babbitt was still in good condition, these surfaces were reusable as is. The main bearing journals were a bit out of round and the crankshaft was bent approximately 0.006". Larry has a technique of chucking the crankshaft in his large lathe, accurately centering the ends of the crankshaft, and using a small bottle jack to bend the crankshaft to within a 0.001" runout. Larry trained Danielle on the crankshaft straightening procedure as well as how to measure using a micrometer.

Mark continued on his 1925 transmission rebuilding project. He bought a new transmission shaft, to replace one that was slightly bent. That, combined with the new SCAT balanced crankshaft, and runout is no longer an issue. The next step was to check the ball bearing 4th main to see if it would fit the pan hole pattern. Sadly, the pan is a bit bent (approx 1/8") and will need some straightening so as not to pull the 4th main off it's centerline. Bob Ross and Larry positioned the hogs head on the Bridgeport mill in preparation to bore out the pedal shaft bearing areas to accept new ball bearings. Kirby assisted Mark in installing the pan to check the fourth main. Thank you fellow club members for your help!

## T N'Vittles at Murphy's Mule Barn Feb. 13, 2016

Mark (our club president) and Sharon Dominguez were our hosts for the Tin Lizzie breakfast at Murphy's Mule Barn on 2nd Street in Albuquerque. This restaurant has the feel of an old time informal eatery. It's very popular with locals and ranks among the favorite places to eat by some of our club members. Over thirty club members and guest showed up this Saturday morning and packed a room set aside for us. The food was delicious and in ample quantities! Our servers were also very attentive.

As the weather warms up, more Model Ts are showing up at the Tn'Vittles breakfasts. This morning, the Duncan's arrived in their 1920 touring car, the Dominguez's drove their 1927 touring, the Ross's came in their 1926 roadster, the Hansen's in their 1924 touring, Don Mitchell in his 1927 Tudor, and the Wing's drove their 1924 coupe. It was an enjoyable breakfast and a pleasantly warm February morning. Text and pictures by Mark Wing
