Rich Ford in Albuquerque was celebrating it's 55th anniversary in March and they invited the Tin Lizzies to show our cars on Saturday, March 5th. Linda Riel coordinates this annual event with the Rich Ford staff. We had an excellent showing of 14 cars outside and the O'Brien's 1916 Model T touring car was inside the showroom to commemorate the car's 100th anniversary. Photo and text by Mark Wing

President's Corner

Hi All,
I could smell spring is in the air or is that exhaust. It's time for model T driving. It was nice to get my car out and have it on display at the brewery. I want to thank those who helped me and those who stopped by to help us represent the club. Don't forget we have some more car functions coming up, so help us represent our club either with your car or your presence. Without you we cannot make this club to what it is.

We have three months until our national tour and we need help, volunteers and more volunteers. Did I mention volunteers? So get a hold of Larry, Bernice or myself and we can find a job just for you. I want to make this tour a lasting impression on everybody's mind that attends in a positive way. With your help I know we can do this, so step up to the plate and let us all hit a home run.

Don't forget to check your car and make sure you got gas, water and oil and be safe and look out for other drivers and we will see you at the next function.

Thank You,
Mark Dominguez

We were invited to bring our 1920 Model T touring to the “Downton Abbey Afternoon Tea” held on March 6, 2016 at the Los Poblanos Historic Inn and Organic Farm in Los Ranchos. The event was hosted by “Lady” Penelope Ellen Rembe and “Lord” Armin Rembe as a fundraiser to benefit KNME-TV & New Mexico PBS. There were approximately 100 guests, most of whom appeared in vintage clothing. The festivities featured a sit-down Afternoon High Tea with traditional scones, sandwiches, savories, sweets & tea, served in vintage china settings. Following the tea party, guests viewed a pre-screening of the Final Episode of Downton Abbey set in 1925.

On Saturday, March 19th, the Tin Lizzies were invited to show our cars at the grand opening of the **Firkin Brewhouse and Grill** by Bill Walters, one of the owners. *A firkin is an old English term for a barrel holding approximately 9 Imperial gallons of beer or ale.* This 1920’s themed brewhouse is located on Columbia Dr., in the northeastern part of Albuquerque. It’s an area that has become the epicenter of a brewery renaissance in the Albuquerque area. The Firkin Brewhouse makes the sixth brewery within a one mile radius. In addition to serving beers, the Firkin Brewhouse also serves delicious sandwiches and artisan root beer and ginger ales! Seven Model Ts were driven to the brewhouse grand opening, Mark Dominguez drove his 1927 touring car, Linda Riel and Jeff Richards brought Linda’s 1926 Fordor “LuLu Bell”, Larry Azevedo drove his 1923 “Gilmore” speedster, Clarence and Lena Schritter’s 1923 runabout was there (driven by their granddaughter Samantha’s husband Gabriel), the Wings brought their 1925 coupe, and Bob Ross brought his 1923 firetruck. Ladies National Tour Work Day, March 12

By Lorna Azevedo

What a fun day we ladies had putting together the "Swamp Cooler Scarves"!

The following ladies came out to help: Janie Burton, Jessica Lance, Betty Housholder, Marilyn Duncan, Ann Merewether, Sharon Dominguez, Fran Gurule, Donna Hansen, Hedy Dunn, Susan Wing, Nita Nicholson, & Lorna.

We accomplished a lot, even though some talking, visiting, & unruly sewing machines got in the way! Most of us haven't used our machines in many years, so they paid us back by acting up from our lack of attention to them! That'll teach us a lesson!!!

Thanks to Susan Wing for providing lunch to keep us going!

A great big "Thank You" to Robbi Ross for donating the material for our scarves! We really appreciate the beautiful fabric she gave us...they look fabulous!!
