Tin Lizzie Library

We have many books, & other media ready to check out from our library.

Mark Dominguez, our Club

Librarian, has compiled a list of everything we have & you can access that list on our website, www.tinlizziesofabq.com, or contact Mark at 899-5628.

On the Cover: 2016 Balloon Fiesta

Photo by Donna Hansen. Text by Betty Housholder

I want to THANK everyone that came out with Model T's on Sunday at the crack of dawn. We had 12 T's and I forgot to count people. Weather was good. Did not freeze as in years past. Gauna's had a propane fire pit that we sat around just like a camp fire. A beautiful launch and even a couple balloons landed on lawn near where we parked. Jack, the Balloon Museum Ambassador had his picture taken in the depot hack. Had many pictures taken. Think everyone enjoyed the morning.

Betty Housholder

President's Corner

Hi all,

Boy, where has this year gone. Just seems like yesterday we were planning the tour. This year, for me, has been one of the best and most fun that I've had with the club in a long time. And it was all because all of you.

Remember next month we have our election for new officers and board members, so please come to the meeting and vote. If you would like to run for office we still have space to put you on the ballot. I've always said that this is your club and how it runs is up to all of us.

We still have some Model T events left to do in the next couple of months, so check this newsletter and your emails for updates.

Thank you all for all your help and support this past year, and for allowing me to be your president these last couple of years. I look forward to having more fun in the coming months.

Be safe and I will see you at the next event.
Mark Dominguez

Our President Mark Dominguez and his lovely wife Sharon or is it Susan or Patti ?

October 2016 T N'Vittles

Story by Linda Riel, pictures on website www.tinlizziesofabq.com

Upon arriving, you could not help but notice the definite chill in the air. If you looked hard enough you could almost see it snow (not really but soon a possibility). With their heaters blowing full blast a total of 3 T's braved the wind and misting of rain. (Lorna & Susan had their own "hot air" going full blast). While backing up, Lorna & Kirk had a near collision as he was approaching with his new trailer...(did Kirk trade in his surf board?) Of course our president was given a bit of a hard time for not having his T when he lives pretty close by. And speaking of distances, who traveled the furthest.....Peterson's or Armstrong's? Just when we thought all was present and head count done, Bob Ross makes his appearance (better late than never) to make it 27. All in all in our usual Tin Lizzies style, we had lots of good conversation with lots of good food not too forget the chips n salsa but there was something missing.....no margarita's.

Sure enough, the balloons from the Fiesta did not let us down although there was a launch delay.

From breakfast we ventured to J & R Museum and upon arriving there was lightening and a boom of thunder or two as we were backing up that made you think you hit something.

thank you Bill and Donna

Fire Prevention and Issues in "fighting" a Model T Fire, Presentation at October 2016 general meeting

By : Paul Duncan & Neil O'Brien

Fire Prevention: October is national fire prevention month

The Best approach to Model T fire safety is to prevent them in the first place. An excellent discussion regarding fire prevention in a Model T garage appears on the Model T Ford forum in September 2012 and under the Title: Garage Safety. Fire Prevention.

The participants on the forum remind us that one should not have gas fumes around Model T's as there should not be gas leaking. Remember to install and use a gas shut-off valve in the gas line before the carburetor. Gasoline vapor is heavier than air and tends to stay low in the garage. It is prudent not to have open flame heaters or pilot lights in the garage area. Consider installing an electric water heater. Check your local codes for the proper location of furnaces in a garage where automobiles reside. Store flammable liquids in closed containers.

Putting Out a Fire

Neil emphasized that if one has a garage fire a call to 911 should be made immediately. Don't assume that you will be able to put out the fire with your shop extinguisher. He recommends at least a 5 pound ABC fire extinguisher. The letters indicate the type of material burning. The A stands for **Trash, wood and paper**. The B stands for flammable liquid fires. The C relates to electrical equipment fires. There also are rating numbers such as 2-A:10BC printed on the extinguisher and these indicate the "power" of the extinguisher. A 5 pound extinguisher is probably the smallest one should have in the garage. The small 2.5 pound extinguishers are often disposable and are convenient for size in the model T but have limitations. Neil showed a large extinguisher-10 pound +- he has in his shop.

Extinguishers should be checked regularly for charge and they should be periodically shaken to break up any crusting of the powder. Refillable extinguishers can be recharged in Albuquerque at a number of locations.

I (PRD) have visited two sites:

Safety Flare Inc. at 2803 Richmond Drive 505-884-2274. They both sell and will recharge and service existing fire extinguishers. They charge \$7.50 to recharge a 2.5 pound unit(small) and \$10.50 for a 5 pound unit.

Fire Safety Industries at 3428 Stanford NE (near Dean Van Dorn's shop) 505-888-4494. They sell and service extinguishers and their prices are comparable with Safety Flare.

Please be safe.

CLUB NOTES

Vaughn recommended a Model T website that has just about everything you could ever want to look up. It is www.cimorelli.com. This is a genealogy website but look down on the page and you will find Model T information.

Linda Riel has sign-up sheets for T N'Vittles and Refreshments for 2017. Please consider hosting and let Linda know what you want to do.

From the Editor:

Thanks for reading. I appreciate your input over the years and would like to personally thank Bob Ross—my right hand, photographer, and just good guy whose help has been stupendous Mark Wing—thanks for helping with pictures and covering for me

Mark Dominguez—What a guy ! With Sharon of course filled in for me lots this year

Marilyn & Paul Duncan—Thanks for your help while I was incognito last winter.

Ann Merewether , Donna Hansen, Betty Housholder, Larry Azevedo, Lorna Azevedo, Kirk Peterson, if I missed you it was unintentional, thanks for your help too.

And anyone else who has contributed, helped, mailed or helped in anyway. Thank you all. It has been a privilege to serve you all these years. Robbi

TIN LIZZIES CLUB MEETING MINUTES
October 27, 2016

Mark Dominguez, President, called the October meeting of the Tin Lizzies to order and welcomed all. The Pledge of Allegiance was proudly recited by all who attended. There were no new guests and/or new members in attendance.

No changes to the previous month's minutes as posted in the newsletter.

Vice President, Vaughn Rockafellow had no issues to discuss with the club. He exhibited the evenings raffle items. Vaughn also gave the club a website that he felt was of interest to the club that has valuable literature pertaining to the Model "T" and newsletter worthy. The website is cimorelli.com. Vaughn, also suggested to sponsor a pig in the "State Fair Pig Race" next year. Maybe invite the Model "A" club if they would like to participate?

Marilyn Duncan reported income and expenses. She also discussed Life Membership and membership dues. Two members declined Life Membership. Life Membership is \$150 and you have to be a member of the club for four consecutive years. To date, she has sold 25 door magnets and has a few left to sell. Financial expense to our Web Master, Mark Wing was allocated. Brian Dean, generously donated his refund from the tour to our club. Dues have been collected from our two new members, Larry and Steve Langdon.

Committee reports were as follows:

Car Council, Dave Merewether reported that the September - Swap Meet that was held in Los Lunas was very successful. About 520 spaces were sold, (a record). They had vendors from 52 New Mexico communities. He went over the Car Council's finances. After all expenses are met, they will have a profit for next year's expenses. A lot of people paid compliments for a good meet. The 20th Annual Veterans' Day Car Show will be held on Saturday, November 5th, 2016 at the Veterans' Hospital. Also, on May 21, 2017 - The 33rd Annual NMCCC Auto Show will honor their 50th Anniversary with a special section of cars from 1967. This event will take place at the Museum of Albuquerque at the Old Albuquerque Municipal Airport (Sunport).

E-Mail, Donna has made a successful transition to take over E-Mail communication for the club from Kirk Peterson (6 years). Kirk, extended his gratitude.

Hospitality, Linda Riel, Hospitality Chairman - has sent out many cards of "Sunshine" to several members.

Newsletter, Robbi/Linda - Deadline is Saturday evening for any and all correspondence.

Telephone Committee Chairman, Linda Riel is communicating to all members requesting a call from her.

Web Master, Mark wing stated that he has posted the TnVittles breakfast that took place on October 8th at Hot Tamales restaurant, the Tour of J&R Auto Museum and the Work Party at Larry's Garage. Also, Work Parties at Larry's Garage that took place on October 15th and October 22nd were also posted. Mark stated that the club's website received 1081 unique visits in the last 30 days. He has also made it easier to peruse our website by going to the year button and you will see the drop down for all the Club's activities.

Librarian, Mark Dominguez has nothing new to share. Please remember, you are all welcome to check out, books, dvd's, etc., reference Model "T"'s and information with our club.

Quartermaster, Larry Azevedo reported that there were many people at the last work party. With a chuckle, "all" parts are present and accounted for. A new list will be generated to Donna (email) to send out to the club. Also, thank you to Brian Dean for his donation of parts! Per Larry, they have been very useful. Lots of welding, polishing and fun!

Historian, Marilyn Duncan spoke of the donation of pictures and archive materials from Fran McClain, who is the widow of Bill McLain. The Telephone Truck was actually donated by the Telephone Pioneers of New Mexico (organization dissolved), but came to the club from Mr. McLain. Mrs. McClain's donation was very much appreciated.

Raffle winners where: Vern Willian (Chaffin's gift certificate), Bill Hansen (Doray-single bolt tail lamp), Brian Dean (club membership), Bob Ross (club membership). A record of \$82 for the year, was collected from club members. Thank you!

Meeting Refreshments, were kindly provided by Liz Scott (Bob Hawk, not feeling chipper) and Hospitality guru, Linda Riel pleasantly helped Liz in the kitchen. There was a fantastic assortment of luscious cakes, pies, ice cream, coffee and an assortment of drinks. Thank you LIZ and Linda! It was DELICIOUS!

TnVittles Refreshments, Linda Riel reminds the club that the next meeting will be a week early on Thursday, November 17, 2016. "GUY'S WITH PIES" - Please contact her reference what you would like to bring, so she may coordinate the assortment of goodies and the different drinks. Next TnVittles: Weck's on the corner of 4th and Osuna. Our Hostess will be Rose Ross.

Program, Paul Duncan - Fire in a Model "T"

Best thought is Prevention: Open cans of gas and kerosine, keep covered. Check fire extinguishers, periodically. Recharge them when needed and make sure they are big enough. Paul asked Neil O'Brien, (a retired fire officer) to explain the do's and don't's for a chemical and/ or electrical fire in a Model "T". He gave examples of different size fire extinguishers: One was a canister rated as a (1A 10BC), will cover 1 square foot of flammable wood or 1 square foot of flammable liquid. If your fire extinguisher canister is two to three years old, make sure you shake it up to break up the powder inside. Your canisters can be refilled. Periodically, do a pressure check by checking the gauge. MOST IMPORTANTLY, CALL 911 FIRST, before you start to fight your fire. A fire doubles in size every minute. Remember this when using your fire extinguisher: PULL (the pin) - AIM (at base of fire) - SQUEEZE (the trigger) - SWEEP (side to side). Thank you Paul and Neil, for a great program!

Unfinished Business: Betty Housholder reported that there were a total of 12 (picture confirmation) Model "T"'s at the October 2, Annual Balloon Fiesta Car Show. She was tickled (we all where), that there was actually a mass ascension of the balloons! Everybody who participated had a very enjoyable time and it was a glorious day! She wanted all club members to be aware of the date next year. PLEASE PUT ON YOUR CALENDARS, SUNDAY, OCTOBER 8TH, 2017 for next years BALLOON/MODEL "T" date.

Donna and Bill Hansen hosted a TnV breakfast at Hot Tamales in Rio Rancho, that followed with a tour of the J&R Museum and then idled down to Corrales to Larry's Garage for a work day. We had 27 club members, three model "T"'s, at the breakfast, despite the turn in the

weather! Lorna Azevedo and Susan Peterson had to turn back from the tour, as they got a few buckets of rain on them! A total of 21 club members visited the museum. Snapping pictures, going down memory lane, oohing and awing over several cars in the museum (hidden gem), club members enjoyed wonderful conversation and shared laughs. A couple of us borrowed rags to contain the drool left on a few cars. We were so proud to observe the 1918 Model "T" that the late Mr. Joiner and his family have on display. Everybody commented on how wonderful the museum was and enjoyed strolling amongst the 70 other cars and trucks on display.

Board meeting on Sunday, October 23, 2016: Attendees were, Mark Dominguez, Vaughn Rockafellow, Marilyn and Paul Duncan, Ann Merewether, Tom Miles, Vern Willan and Donna Hansen. Discussion to ask other club member to possibly be nominee's for vacant seats. Ann Merewether to stand down as secretary and Donna Hansen to stand down as Director. Tom Miles would step in as Director if there are no other candidates for this seat. Discussion reference a need to add resolution for a tie in the board election (proxy or mail in), will be on the calendar for next year. Too late for this year to complete the process. An expression of gratitude from the board, was given to Mark for his professionalism and humor with every aspect of the office this year, as this was the last board meeting for him as President. Also, a word of thanks was given to Ann, Tom and Donna for their participation on the board. Everybody agreed that it was a busy, fulfilled year!

Election Time: Election will be the 17th of November.

Nominees as follows:

President: Vaughn Rockafellow - Linda Riel

Vice-President: Kirk Peterson - Paul Duncan

Secretary: Jessica Lance

Treasurer: Marilyn Duncan

Directors: Vern Willan, Dave Ferro, Brian Dean, Tom MacGugan and Phil Lance

Christmas Light Parade in Corrales, December 3rd: Larry Acevedo reminded club members to be at the Acevedo house between 4-4:30pm to decorate your car if needed. We need to be at the start location at 5pm. Afterwards, the Acevedo's are hosting a "Christmas" Hors D'oeuvres party. So, bring a little something, something of your choice and a drink. You will have a great time!

St. Felix Pantry - International Festival: Betty Housholder reported for Michael Householder, that on October 23, at St Pius X High school, the club members that graciously attended were Sharon and Mark Dominguez. Betty said that there was lots of food, a silent auction and a jazz band plus many other attractions. The Dominguez's commented that the food was excellent!

Sharon stated that she had the best enchiladas she has ever eaten! Mark suggested that we put it on the calendar for next year.

Christmas Dinner - Sunday, December 11, 2016 at the Cooperage Banquet Room, 7220 Lomas Blvd NE, Albuquerque, NM 87110 (corner of Lomas and Chama St NE) starting at 2:00pm: Sharon Dominguez gave us heads up on the Tin Lizzie Holiday Party and Officer/Board Member Installation. We are also asking each person to bring a NEW, unwrapped toy to donate to the Toys For Tots toy drive. The cost of the meal will be \$10 per person with the Tin Lizzies picking up the remainder of the cost (\$30). Choices of an entree: PRIME RIB AU JUS, FRESH COLUMBIAN SALMON, TOP SIRLOIN & SHRIMP, GRILLED HAWAIIAN CHICKEN. All entrees include a choice of French fries, or rice pilaf, baked potato, their famous salad & soup bar. Also, Iced tea, coffee, sodas and a selection of mini cheesecakes, brownies and holiday cookies. Yum! Alcohol is not included, but they offer a full no host bar. You MUST RSVP AND pay your \$10 per person to Sharon Dominguez no later than DECEMBER 3RD. NO RSVP's will be accepted without payment. Motion was made, seconded, discussed and approved to allow club members with (2) immediate family members to receive the same meal price of (\$10) and the club picking up the additional cost of \$30. All other NON club member attendees, family, or extended family pay full price of the meal at \$40.

Larry Azevedo made mention of the article that he wrote that was in the **MTFCA, "The Vintage Ford" magazine**. He also gave credit to the cover photo that was taken by our fellow club member Joe Fellin of Apache Junction, Arizona. ALL agreed, a job well done! Larry also discussed and answered questions that our club members had reference a post-card that we received from the Board of Directors and Officers, Model T Ford Club of America. It was due to an article that was written in the Sept-Oct. 2016 issue of the Vintage Ford Magazine. You will find the article on page 8 of the magazine and was published without prior knowledge or approval by the Board of Directors or officers. They apologized and new quality checks are now in place. They promise that no future issue of the Vintage Ford Magazine will be published without the final approval of at least two officers and/or board members. Larry basically gave clarification to the why's, how's and what's of the issue, to the tune of \$2500 to mail post cards.

The Peterson's and Azevedo's took a trip to the Philmont Scout Ranch at Red River, New Mexico. They had a great time and suggested that maybe the club put a tour date on the calendar for October 12th - 15th, 2017 (weather permitting). You can find accommodation for \$80/\$85 a night in Red River, NM. Larry suggested touring to Cimarron, Taos and the Vietnam Veterans Memorial State Park in Angel fire, NM. If this is something we would like to do, we should probably make a decision by December, 2016 (THIS YEAR).

Per **Tom Miles**, the club continues to receive accolades reference the MTFCA National Tour: Land of Enchantment Tour (June 26-July 2, 2016). Russ Furstnow, 2016 MTFCA President is still raving about the tour! Also, Sharon Dominguez, to date has received two voided checks from attendees and they wish to remain anonymous.

The meeting was adjourned.

Respectfully submitted for Ann Merewether,
Secretary by Donna Hansen
