## PRESIDENT'S MESSAGE

Hello again, Tin Lizzies!

Can it possibly be April already?! I can't believe it. I was going to get so many things done this year! Que sera, Que sera!!

First, I want to ask everyone to keep Bill and Donna Hansen in your thoughts and prayers; Bill's dad passed away last week. Many of us know what it's like to lose a parent - never easy no matter how old we may be.

I want to thank everyone who came to the March meeting and invite feedback from anyone brave enough to e-mail me and run the risk of being put on a committee. We've got a lot of good activities on the agenda, or close to it, for 2017, so please clear your calendars, quit your jobs (I wish!), and get ready for some Tin Lizzie fun.

Spring tours have yet to be nailed down to exact dates, so get the old car ready to drive at a moment's notice. I failed to bring it up at the meeting for fear of the meeting running too long, but it is time to schedule another Driver Training day for those who may not yet be Masters of the Wheel; If anyone can suggest a large, open parking lot without too many things to run into, please pass along that information.

Looking forward to seeing you all at the April breakfast and the trek over to Double Eagle to see the Ford Tin Goose on the 8'th.

Remember: Do not use straight alcohol as anti-freeze! You may end up with cirrhosis of the flivver!! (I don't make this stuff up!)

Vaughn, GHMM

Among the highlights is a 1915 Model T Touring Car that appeared in the 1969 movie "The Good Guys and the Bad Guys" starring Robert Mitchum and George Kennedy. There is also a 1927 Model T that was once owned by one of the cast members of the Lil' Rascals. There is also a large collection of unrestored cars, including many Model T's. The toy collection of 1,000 pieces are also related to vehicles, with Tonkas, Smith-Miller replicas, Wyandotte replicas and model trains. After touring the museum, members may return to Albuquerque or seek out some of the other Moriarty attractions, including the US Southwest Soaring Museum, the Moriarty Historical Society and Museum, or the Wildlife West Nature Park near Edgewood.

## Garage Gossip (Azevedo, May '07)

### It's Easy!

Last weekend we hauled our Speedster out to the Arizona Speedster Run. This year it was held in Prescott. Our son (David), daughter-in-law (Renee) and grandson (Derek) drove up from Mesa to participate with us. This was Renee's first interaction with a Model T activity. David acted as mechanic until the first potty stop (I always call them potty stops because that's usually what you have to do first - Model T's are great at keeping the bladder shook up and active). Renee switched to mechanic at the stop and promptly lost the keys to their modern car, thus assuring a seat next to me as mechanic for the rest of the day.

Always wanting to initiate a new driver into our Model T ranks, especially one that's not retired, I started to work on her as we were driving. Here's how the conversation went:

(Me): "This car is really not hard to drive, don't worry about the three pedals on the floor, plus a throttle, plus the Ruckstell shifter, plus the hand brake. You just push this one down when you want to go and then let it out later. You can use any of the three pedals for a panic stop."

(Her): "Huh?"

(Me:): "What?"

(Her): "Forget it, I'm barely hanging on and I don't like the road flashing by so quickly."

Well, we continued to drive on the Speedster run and about 25 miles from the end I had actually got her to start seriously thinking about trying to drive. Unfortunately, about that time we heard a loud rattle from under the hood and she decided "No driving for me". It was just my water pump pulley giving up the ghost after 80+ years of dependable service. I had been complaining about the cool weather all day and now I was happy about it! We cruised into the finish line without a fan or water pump and the T kept its cool. I'll have to try another time to get her in the driver's seat.

On Saturday April 22nd from 10am to 2pm the Fairwinds Retirement Center located at 920 Riverview Drive SE Rio Rancho, NM 87124 is having a Family Fun Day and would like to have the Tin Lizzies at their car show. Lunch will be provided. We have been going to this event for the last 2 years and have a great time. Great food and entertainment - fun for all. You can bring your family and friends.

I will be there at 9:30am. So please save the date. If you can bring your car email me at [mtford@q.com](mailto:mtford@q.com).  
Thank you,  
Mark Dominguez
