### From the President:

One of the byproducts of being involved in the Model T hobby and affiliated with the MTFCA is Travel. In recent years the Tin lizzies of Albuquerque has toured many areas of New Mexico. From Chama to Conchas, Red River to Ruidoso, San Jon to Silver City, and Taos to Tucumcari are just few of the cities we have visited in the past 8 years or so. This fall we will be visiting Las Cruces and the surrounding area. I am looking forward to another exciting tour and seeing sites I have never seen before now.

Seeing the United States and Canada is another reason I enjoy being associated with Model Ts. We have driven our Model T in cities from Bisbee, Arizona to Richmond, Indiana, and Calgary, Canada to Claude, Texas and Loveland, Colorado to Lincoln, Nebraska, and Palm Desert to Penn State, and Whitefish, Montana to Winter Garden, Florida.

This summer there are National Tours in Santa Rosa, California and Richmond, Indiana. In 2019 the National tours are in Sierra Vista, Arizona and Cookeville, Tennessee. If you do not tour with your T's you will lose out on more than just air in the tires.
