From the President:

The touring season is full swing. Mark and Sharon Dominguez and Kirk and Susan Peterson just returned from a fantastic tour in Northern California. We were able to visit some of the most beautiful settings imaginable. We saw Redwood Forests and the Pacific Ocean. We drove our Model Ts on quaint 2 lane roads past vineyards and farms. We visited several historical sites including the last California Mission. We also made new friends and visited with old friends.

Participating in national or regional tours is great reason to join the MTFCA. We have traveled all over the US and to Canada touring in our Model T seeing many wonderful places. If you are not a member of the Model T Ford Club of America, I encourage you to join and see this great land of ours in. There will be tours next year in Sierra Vista, Arizona and Cookeville, Tennessee.

Our Mission — New Mexico Horse Rescue

NEW MEXICO HORSE RESCUE**Our Mission**

New Mexico Horse Rescue at Walkin N Circles Ranch, Inc. is a non-profit 501(c)(3) horse rescue that rehabilitates and finds homes for abandoned, abused, and neglected horses.

Since 2002, we've remained true to our mission of providing all rescued equines with new beginnings and productive lives with loving, adoptive families.

We are licensed, regulated and inspected annually by the New Mexico Livestock Board.

Our herd number can vary, but we generally care for 50 to 60 horses on the ranch, and several more in foster care. The majority of horses that come to us have been seized by the Livestock Board due to abuse, neglect or abandonment. We also occasionally take horses surrendered by individuals who can no longer care for their horse(s).

The ranch is governed by a board of directors who oversees day-to-day operations with the assistance of on-site caretakers and the help of more than 100 volunteers. Ranch team members volunteer their experience, skills, talents and time to care for horses, maintain the facilities and fund the ranch. We utilize University of California, Davis Best Practices for Horse Rescues and natural horsemanship to guide our work.

Tours of the ranch are available Tuesday through Saturday by appointment. Reserve your tour by calling (505) 286-0779.
