

# THE ENCHANTMENT FLYER

## OFFICIAL PUBLICATION OF THE TIN LIZZIES OF ALBUQUERQUE

VOLUME 40 NO. 11

NOVEMBER 2018

About Us (taken from our very own website).....

Helpful Members: Learn from the members: Where can I get insurance? Where can I get replacements parts? Who knows how this is supposed to work? How do I get lower cost vehicle licensing? Can anyone fix this? Is this normal? Wow, what's that thing?

Tasty Food and Good Company! What's T'n Vittles? Each month a member (members take turns) arranges (hosts) a morning meal. Each participant pays for his/her own meal. It is always held locally (usually at a restaurant) during weekend morning hours, during low traffic times.

Good Times! What's the Rubber Chicken? Is this a good thing? Well, not really, but it sure can be funny. Members earn the "rubber chicken" award (max. 2 honorees at a time please) for, well . . . , boo-boos. Members qualify by doing things like: driving into the ditch, instead of on the road; leaving after a rest stop, and forgetting a passenger; flat tires w/o a pump or spare, etc.

The Enchantment Flyer is published monthly for the Tin Lizzies of Albuquerque for their viewing. If you have something you would like to submit, please contact Linda at 505 459 5897 or email [lmrlulubell@juno.com](mailto:lmrlulubell@juno.com)  
Thanks for reading and keep on a T'ing!

**From the President:**

I have just returned from the Long Beach Model T club's Tri-State tour based in Laughlin, NV. I had a great time visiting the sites on old Route 66 as well as visiting with old friends and making new friends. I really enjoy being a member of the MTFCA. If I was not a national member, I would not have had the opportunity to participate in the Tri-State tour. If you are not a MTFCA member, please join because it is a rewarding social investment.

I encourage all Tin Lizzies ABQ members to be involved in our local chapter. Recently I received very valuable input from several members. I appreciate the fact that we are able to express our opinions on various items and arrive at a club decision. At the November meeting we will hold elections for Tin Lizzies officers and directors. I want to thank the Board of Directors for all their efforts in developing the slate of candidates. It is not too late to volunteer to run for a position. Please contact the Board and let them know you are interested in being placed on the ballot.

Tin Lizzies of Albuquerque Mesilla Valley Tour  
September 26-30, 2018  
By Paul & Marilyn Duncan, Albuquerque Tour Coordinators

The Mesilla Valley Tour based in Las Cruces, NM had been in the planning stages for more than two years involving club members, Paul & Marilyn Duncan, Tom MacGugan, Kameron Peterson and Robbi Ross. On the first day, Wednesday September 26 participants gathered at the Hilton Garden Inn. Marilyn and Pat Willan registered the participants. That evening, Roger Walker, a lecturer at Doña Ana Community College Las Cruces led a discussion of historical aspects of New Mexico settlements including the East-West highways across New Mexico.

On Thursday September 27, thirteen T's and 2 A's left the hotel for a scenic 40-mile caravan drive through the verdant Mesilla Valley agricultural region to Santa Teresa, NM for a visit to War Eagles Air & Car Museum. We were welcomed by the Museum Executive Director, Bob Dockendorf and then toured the Museum's extensive collection of historic aircraft and classic cars that includes several Model Ts. During our time there, additional members of the Southwest Classic Car Club in El Paso brought their Model A's and Corvettes to join the car show at the Museum. We hosted nearly 50 people, including Tour participants, the Southwest Car Club members and Museum staff. Tour drivers returned on their own to the hotel.

On Friday September 27<sup>th</sup>, eight T's left the hotel early for the 136-mile round trip journey to White Sands National Monument. We crossed Las Cruces on the east side via Sonoma Ranch Road the Bataan Memorial Frontage road along US Hwy 70. Near Organ, NM we continued on Hwy 70 driving up and over the San Augustin Pass (6,000ft). The grade at the top of the Pass was 6% and the non-Ruckstell axle T's needed Low band for a short distance. Nearing the top of the Pass, Mark & Susan Wing's 1925 coupe developed a grinding noise in the transmission and we winched it onto the Trouble Trailer. On the East side of the Pass Vern and Pat Willan and Jeff Richards and Linda Riel turned off to tour the White Sands Missile Range Museum. The five remaining T's and the trouble trailer continued an additional 35 miles across the Tularosa Basin to the White Sands National Monument. The white sands in the Basin are gypsum crystals picked up by the prevailing winds and then deposited into dunes.

We stopped briefly at the Visitor Center and then drove an additional 8 miles on the scenic Dunes Drive to the Yucca picnic area. The last 3 miles is not paved and the white gypsum forms a hard and smooth driving surface similar to driving on ice.

The unique sun shaded picnic tables appeared as silver sails on a white sea! Each T parked at a separate table for their picnic lunch and many visitors stopped by to talk and look at the cars and take pictures. After lunch we hiked on the dunes and posed for pictures with the T's.

Following a top off of the gas tanks, all of the Monument group made the return with no major issues. Paul's 1920 was at the upper level of temperature and he needed to off load several of his passengers and Kirk Peterson's 1927 went through some fuel- starved hiccups.

Saturday September 29<sup>th</sup> was an unstructured day with many options. Many toured the nearby NM Farm and Ranch Heritage Museum and some drove the 10 miles up to the Dripping Springs Natural Area, while other enjoyed shopping and the Farmer's & Crafts Market in Downtown Las Cruces.

On Saturday evening the final banquet was held at the historic *La Posta de Mesilla* in the Old Town. Thirty-seven appeared for dinner and most were in their best vintage attire. Tour Coordinator, Paul Duncan presented Awards for the following: (1) Tour Coordinators, Tom MacGugan, Kameron Peterson and Marilyn Duncan (2) Tour Support including providing hospitality goods, photography and coordinating the Tour Photo Contest to Linda Riel, Mark & Susan Wing, Dave Ferro & Rebecca Wiegand (3) "Good Samaritan Award" to Sharron Geilenfeldt for stopping to assist the Merewethers following a tire blowout on I-25. (4) First Completed Tour Day Car Awards to Jeff Richard's 1925 Touring (The Colonel) for completing 2-full days of touring and Dave & Ann Merewether's 1922 Centerdoor for completing 1-full day of touring.

On Sunday September 30<sup>th</sup>, all Tour participants loaded their cars and headed for home. Tour Coordinator, Kameron Peterson stayed at the hotel to make sure that everyone was loaded and on their way. All arrived safely home from the Tour.

Many Photographs and Details of the Mesilla Valley Tour have been posted by Mark Wing on the Club website: <http://www.tinlizziesofabq.com/mesilla-valley-tour-wed-sept-26-2018/>

Past Happenings.....Messila Valley Tour September 26th—30th. Check-in gatherings/unloading and various shots of the tour.

Past Happenings.....Balloon Fiesta on 10/7 showing how we keep warm in the dark. Betty our coordinator, our view of the launch field and our T's on display.

Past Happenings.....breakfast on 10/13 at Placitas Cafe hosted by Phil & Jessica. One of our enjoyments....eating and shopping for bargains.
