## President's Message

April 2019

In the early days of exploration in the Rocky Mountains, there were yearly gatherings held among trappers, mountain men and native Americans. These events were known as the Rocky Mountain Rendezvous and were held between 1825 and 1840. Today these "rendezvous" are still common among folks of like-minded interests and in Model T jargon they are known as "swap meets". Recently, one such gathering took place in Chickasha, Oklahoma 40 miles southwest of Oklahoma City and is known as the International Pre-War Swap Meet started 30 years ago by the Ersland family. Actually, Chickasha is home to two longer running and larger auto swap meets run by the Chickasha Antique Auto Club. There is talk of the Pre-War swap meet ending next year but I would anticipate the Chickasha community will not let that happen even in the face of the internet competition.

There is something attractive about going to a pre-war auto swap meet because one finds others interested in these old cars and often these others are a real fountain of knowledge about the hobby. Often, one runs into a real story teller. I am told one can find just about anything Model T that you can think of but you need to know what you are looking for.

Our club has always been represented well in Chickasha. This year Larry Azevedo, Kirk and Cameron Peterson, Mark and Sue Wing, Jessica and Phil Lance, Zach Lance and Alexis all made the trip.

I think I will put this on our travel schedule for next year. I sent the group a document I wrote titled: Some interesting areas to explore between Chickasha, OK and Albuquerque, NM (550 miles) You can find this in the current newsletter.

Hello to Tin Lizzies of Albuquerque from Barbara Wright

President Duncan asked me if I would consider writing an article for our newsletter as I had written some letters in the distant past. At first I said no, but on consideration I decided to write this one article: So for Memorial Day/Veterans Day Veterans, I thought I would honor our Veterans in the Club for the May issue of our newsletter. Listing them by name, military branch served in and what wars they served in.

I need your help to do this. So if you would let me know by email (barbwright@cableone.net or phone ( 505 235 5478)) if you are a military veteran would you please send me your information and I could get this article ready for May newsletter. I only have a short time- so HELP! I need current and deceased members if they were veterans, so send me information on the veteran or deceased veterans from our club.

First I would like to honor our Military Spouses- young or old, who stood by their military man when he was home or deployed. Our country owes you a great deal and a basketful of thanks.

Second, on behalf of our club and our nation, a thank you to all who have served in our military. We are grateful your service and for keeping our borders safe. We honor the American Flag you served under and Our National Anthem Our club is getting larger and we all have views on any one subject, but we can still recognize and honor those in our TClub who are Military Veterans.

I am going to share some names that we recognize but did not know they were in the service. Most went in the military when WWII started with bombing of Hawaii by the Japanese and fought in Germany or Pacific fronts. Many protested WWII or Viet Nam War or Gulf war or Korean War. But they did serve their country. Some were drafted (remember your draft card). Others enlisted. Our family members were in the various military services as well.

Some joined up to further their Hollywood or Singing careers but they fought with all beside them protecting our home front. Some joined up to prevent going to jail and were discharged within a year or two which prevented them from going to US prisons for crimes they committed as a Civilian. Some helped raise war bonds. Some were politicians. Many made movies about the war-for or against on their return to Hollywood. Some helped the morale of the troops with those famous Pin-up posters or their pictures on military airplanes.

These veterans served in WWII, Vietnam, Korean, Gulf War, American Red Cross driving Ambulances, National Guard. They served as pilots, infantry, built runways, wrote news articles, took photos for historical events, teletype operators, Navajo Code Talkers, translators, entertainers for our troops, Armed Forces Radio, medical services, truck drivers, and many other jobs.

Women also worked in the steel and iron plants in the US. Let's not forget Tokyo Rose or German Nazi Party Radio broadcasters to bring our troop morale down.

#### US Army

Elvis Presley	Hugh Hefner	Oliver Stone	James Earl Jones	Mickey Rooney
James Stewart	Sammy Davis JR	Ice T	Mel Brooks	Tony Bennett
Kris Kristofferson	Elsie S Ott	Bertha Dupre		

#### US Navy:

Paul Newman	MC Hammer	Vincent Pastorey	Johnny Carson	Bob Barker
Jesse Ventura	Drew Carey	Kirk Douglas	Don Rickles	

#### US MARINES

Steve McQueen	Gene Hackman	Bea Arthur
---------------	--------------	------------

#### USAF or ARMY AIR CORPS

Morgan Freeman	Johnny Cash	Chuck Norris	Clint Eastwood	Jimmy Stewart
----------------	-------------	--------------	----------------	---------------

#### Others Served In:

Tom Selleck	California National Guard
Ernest Hemingway	American Red Cross- Ambulance Driver WWII

Women also have served in the Military from Europe and the US and Asia, but they served also served on entertainment tours, with the French Resistance, Intelligence Officers, fund raising for war relief and war effort, Voices for the Victims of the Holocaust like Anne Frank. Harriet Tubman escaped slavery and worked with the Underground Railroad in the 1850s.

Sarah Emma Edmonds dressed as a man to serve in the Civil War. Carole Lombard was killed in air crash after war bond rally. President F Roosevelt declared her the first woman to die in line of duty to our country and her husband Clark Gable enlisted in the USAF after her death.

Remember the famous pin-up poster swimsuit girls to help troop morale in World War II with Betty Grable , The Varga Girls, drawn by Alberto Vargas, as were photos of Veronica Lake, Jane Russell, and Lane Turner. Fundraising for war relief and war effort with Tallulah Bankhead, Bette Davis, Lynn Fontaine, Helen Hayes, Katharine Hepburn, Hedy Lamarr, Gypsy Rose Lee, Ethel Merman, and the Andrews Sisters.

And have any of our veterans forgotten the USO Tours or Camp Shows with Rita Hayworth, Betty Grable, the Andrews Sisters, Ann Miller, Martha Raye, Marlene Dietrich, and many lesser-knowns.

I tried to recall what are members would recall. Stay tuned for part II- Our own members and the military services they served in.

On Saturday April 13, 2019 from 3 - 9 pm we will be holding a Blues Fest on the Plaza in Socorro. Coupled with that, the local car club, the Socorro Old Car Club, will be offering rides in their vintage cars from 10:00am to 1:00pm in exchange for a donation to our Socorro Storehouse/Food Pantry. So far, we have about 5 cars participating. We are also seeking support from other Socorro and nearby car clubs and are still awaiting responses from them. Personnel from the Socorro Storehouse will be on hand to help organize the rides and handle the money.

As background information; Socorro Storehouse is a not-for-profit 501(c)3 agency. It is the only emergency food pantry that serves all of Socorro County. We were established in 2002 and have been in our current building since 2004. We serve between 200-220 families each month. We order food from Roadrunner Food Bank in Albuquerque for 19 cents a pound with donated funds. We also purchase from our local supermarkets as needed. We received two grants last year that helped us fund a new program known as the fresh produce program. The two grants allow us to weekly purchase produce from John Brooks three weeks out of the month and we fund the other weeks out of other donations. We would like to use the donations from this event for this ongoing program.

We would like to invite the Tin Lizzies to join us in this worthy cause. Adding some Model Ts to the vintage vehicles providing rides would surely stimulate greater interest and participation from event attendees. I'm not sure if this request will provide enough time for you to properly plan for attendance nor do I know if it will be personally worthwhile for you to come down for just 3 hours, but we would love to have you. We have a vacant lot available near the Plaza that we will use for staging and for parking trailers if you can come. If you can make it, please contact Frank Lewark so he can add you to his list of attendees/cars. Thanks very much.

Live music by Professa Dug & Friends, Rock Zone, Joe Daddy & the Soul Twisters, Slime and the Blue Tones, Silver Crow Asylum. There will be a Spirit Tent 21 & older, Arts & Crafts Vendors, Food Vendors. Admission is FREE. Betty Houston has offered a fenced, gated lot to park our trailers. Motels fill up for the Blues Festival so make your reservations — Holiday Inn Express 575 838 4600 in Socorro for the weekend. A Sunday drive to Bosque Del Apache National Wildlife Refuge is in the works.
