President's Message

August 2019

July has been busy so far for the Tin Lizzies. The July 4th parade in Corrales was very well attended and the Albuquerque Journal featured the parade. The Tin Lizzies were well represented and afterward the picnic at the Azevedo's was a special event. Thank you, Larry and Lorna. Every year I meet more of the Model A and V8 gang at the picnic.

We all celebrated the 2019 US Women's World Cup Championship in soccer on July 7. Why are they so good? The US Women as a group have the best fundamental foot skills of any team in the tournament. I believe credit goes to the hundreds of dedicated girls' soccer coaches throughout the country. Larry Azevedo is one of those coaches who has volunteered, over nearly 30 years, countless hours coaching girl's soccer.

During the past two work sessions at Larry's garage, we have concentrated on T's that needed enough time in the shop to get these individual T's on the road. In both cases, the T's were running when the cars left but both will need some additional tuning. One of my goals is to increase the number of running T's in the club. Driving Model T's is one of life's pleasures! Let's all work to get more Tin Lizzie T's running well.

From Kirk Peterson — the first installment of his travels

The Drive up to the Montana 500 in Yellowstone Country

The last few years I have had the desire to attend the Montana 500. It is a 500 mile endurance race spread over 3 days featuring "stock" Model Ts. Gene Carrothers from Huntington Beach invited me to attend the race as a spectator. I asked Susan if I could drive up to Columbus, Montana and observe the race. Without any hesitation, Susan said, "Go for it."

Friday morning, June 14th, Flag Day, Susan flagged me out of Santa Fe at about 7:00 am. I was in my red Ecoboost powered Mustang which averages 35 mpg on the highway. Cruising up I-25, my first stop was at the rest area just north of Trinidad, CO. Traffic was mostly stop and rarely go from Colorado Springs to almost the Wyoming border. My only other pit stop was at the Flying J in Cheyenne for fuel and feed. I flagged in that night at the home of the friendly ghost in Casper, WY.

Saturday morning I shuffled off to Buffalo, Wy, to make a contribution at the Longmire Campaign Headquarters. A little north of Sheridan, I turned off I-25 and on to US 14. I was privileged to witness incredible amounts natural beauty while driving through the Big Horn National Forest. After passing through Cody, WY, I crossed over Clark's Fork of the Yellowstone River numerous times on the way to Columbus, MT. I arrived at the luxurious Super 8 Hotel about 4:00 pm and proceeded to peruse the dozen or so race cars in the parking lot.

To be continued...

This is the fourth installment of Veterans' of the Tin Lizzies..

Thanks to all who shared their information, and thank you all who served who we did not get information from.

We honor you and we thank you for your service!

Barbara Wright

Several members wanted me to say something about family members who served, as they are important Veterans as well. We are proud of our family members who served in one of the Armed Forces for the USA.

I am Tin Lizzie member Scott Stuart

Please honor my dad in the veterans article. My father was a WWII navy veteran who joined a few days after high school graduation, at age 18, in 1942. He worked as a electronics mate on a repair ship in the Pacific Fleet. He got out of service in 1946. He got his college education on GI Bill. He told me there was only two anti aircraft guns on his ship. His father served under Teddy Roosevelt in WWI. Thank you dad and grandpa.

So we honor all of our club members (who replied and did not reply) and thank you sincerely for your service. Our Veterans have love for their country and pride for serving their country.

The bowling league that I am on will be starting up this month. If you are interested, let me know. I will have more information when we have our organizational meeting on the 12th.

Thank you,
Linda

GREAT JOB

Veterans please send a short summary of your service to Barbara Wright. We are publishing a few in the newsletter as space permits.

New Business:

Larry Azevedo recommended adding several driveline parts to the club parts inventory. He estimated the parts would be approximately \$500. A motion was made and passed to spend up to \$700 (parts plus shipping) to add necessary parts. Larry will order the parts.

There was an extensive discussion of the venue for the Christmas party. Linda Riel had suggested the possibility of holding it at the Solo Club with catered food and possibility of the disc jockey. After discussion of pros and cons, the membership voted to continue this year with the plan to hold the party December 8th at the Cooperage. A motion was made and passed to subsidize the meal for members; individuals would pay \$10 with the club treasury paying the balance. A discussion to select a favored charity for individual donations was deferred to a subsequent meeting.

Raffle: The raffle winners were Bob Ross, Don Mitchell, and Dave Merewether.

Program: There was no program.

Next Monthly Membership Meeting: August 29, 7:00 p.m. at The Vineyard.
